REGULAR MEETING

Approval of Minutes

A motion was made by Vice-Chairperson Moseley-Jenkins, seconded by Commissioner Evans to approve the minutes for January 26, 2023. The motion was unanimously approved.

New Business

Assistant City Administrator John Singh addressed the Planning Commission considering an application for 100% annexation of property belonging to City of Orangeburg, 3397 Broughton Street TMS# 0151-15-11-001.000. He stated, "In order for Council to take action on this item, the table needs to be removed. The property owner has asked the Planning Commission to consider removing the motion to table the item. The motion was to table the item to get more information to Council, but they would like to have the table removed so that process can go forward. As for the Planning Commission, if you are for or against, that is totally up to you as a Commission to make that determination. They would like to have a motion from the Planning Commission either for or against annexing the property into the City."

A motion was made by Chairperson Best, seconded by Commissioner Wolfe to take from the table January 26, 2023, Agenda Item #4 Annexation of property belonging to City of Orangeburg, 3397 Broughton Street TMS# 0151-15-11-001.000. The motion was unanimously approved.

A motion was made by Chairperson Best, seconded by Commissioner Payton to deny the request. The motion was unanimously approved.

A motion was made by Chairperson Best, seconded by Vice-Chairperson Moseley-Jenkins to adjourn. The motion was unanimously approved.
