REGULAR MEETING

The meeting was called to order by Chairperson Best at 6:00 p.m.

Approval of Minutes

A motion was made by Commissioner Edwards, seconded by Commissioner Pendarvis to approve June 27, 2024, minutes. The motion was unanimously approved.

New Business

Chairperson Best stated, “Under new business, schedule review and agenda for upcoming meetings. Mrs. Williams would like to address the Commission?”

Assistant City Administrator, Theresa Williams stated, “This is a reminder about the remaining dates for the remainder of 2024. We have the October 17th meeting and November 21st meeting. The November 21st meeting will include training. We encourage all Commissioners to be present, that will be considered as your annual training. We are trying to set it up so that if you attend that meeting, it will also be counted for next year and you will not have to train again for 2025. The other thing I want to bring to your attention, and you will get more details about it later. We are due to update to our Comprehensive Plan; it is a 10-year plan and it is due to be updated in 2026. The Planning Commission played an important role because you guys are the steering committee that helped us put all of this together. It is a plan as to how the City is going to be developed as far as housing, restaurants, etc. You will get more information on that in upcoming meetings.”

Chairperson Best asked the Commission, “Are there any questions for Mrs. Williams?”

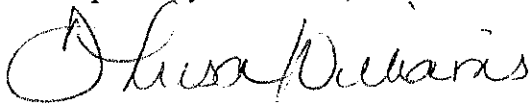

No questions were asked.
