GATE & PERIMETER ACCESS SOLUTIONS

RAPID ACCESS, WHEN AND WHERE IT IS NEEDED MOST

Time is critical during an emergency response. Locked gates, fences, or other barriers can delay first responders from getting to where help is needed most. Knox Rapid Access Solutions provide a safer and more reliable access into gated areas in residential, commercial and industrial complexes. Using Knox Gate & Key Switches and Knox Padlocks, first responders can open motorized or manual gates, roll up doors and other barriers -- all without delay, force or damage.

KNOX GATE & KEY SWITCHES®

Available with eLock or Mechanical Lock Core
