OF ORANGEBURG, S. C.

Orangeburg, S. C. May 5th, 1933

Rev. W. V. Dibble, Orengeburg. S. C.

Deer Mr. Dibble:-

With reference to your request as to what the writer thinks would be a fair valuation of the lot owned by Estate of Rev. G. P. Watson in Sunnyside Cemetery Company, I wish to say that considering the fact that there is a grave already on the lot, which you wish to recognize as such, I believe \$75.00 for the entire lot would be fair to all parties concerned. You, of course, understand that there will be a small expense in transferring this title, which I understand you are willing to assume and pay \$75.00 net to the owners of this lot.

If there is any further information you desire, please edvise.

Very truly yours,

SUNNYSIDE CEMETERY COMPANY

By:-

P.S.: If the title is to be transferred, I would suggest that the following endorsement be placed on the reverse side of the title:- For value received the undersigned hereby transfers ownership of this lot to W. V. Dibble, his heirs and assigns forever.

January 6, 1934.

Marion G. Smith, as Executor vs. Thomas R. Smith, et al.

Mr. W. Hampton Dukes,

Orangeburg, S. Car.

Dear Sir:

We attach hereto an extract from the court order in the above entitled action. Through this order title to the two cemetery lots are vested in Dukes-Harley Funeral Home, which we understand is now the corporate name of your company. The original claim was on behalf of Dukes Undertaking Company.

The Judgment Order and other papers are now in the Judgment Roll in the office of the Clerk of Court in the above case. If at any time you require a reference to your ownership in these lots you will find the papers in the Judgment Roll as stated. This is the only title that you will get to vest your ownership in these lots.

Yours very truly.
