

Relief Valves and Expansion Joints—To be furnished as a part equipment of condensers.

PROPOSALS for barometric condensers will not be considered.

Condensers will be used in connection with uniflow engines and seven feet basement height will be provided for their accommodation. Circulating water and hot water discharge pipe lines will be provided in close proximity to condensers beneath the basement floor.

TRIPLEX MOTOR DRIVEN PUMP.

Capacity—250 G. P. M. against 150 lbs. head and no lift.

Normal pumping condition will be 250 G. P. M. against 80 lbs. pressure and two forms of drive will be considered.

(1) One motor of sufficient size to operate pump at 150 pounds pressure, operation under normal condition with the motor approximately 60 per cent. loaded.

(2) Two motors, one geared direct to pump and of correct size to operate pump at 80 lbs. pressure, the other connected to pump by some type of clutch, so that both motors could be used to operate pump at 150 lbs. pressure.

Specifications to state efficiency of pump under the two conditions of work and overall efficiency of motors and pump under the two methods of drive.

Motors—To be designed for operation on 220 volt, 60 cycle, three phase current.

CAST IRON PIPE.

5,100 ft. 10 in. bell and spigot Class "D" C. I. pipe.

2,300 ft. 8 in. bell and spigot Class "C" C. I. pipe.

9 8 in. do 125 lbs. pressure valves.

8 6 in. do 125 lbs. pressure valves.

Lead.

Leadite.

Dry spun hemp, or oakum.

POLE LINE MATERIAL.

45 35 ft. 8 in. top creasoted pine poles.

5,800 lbs. No. 2 TB WP wire.

100 4-pin 6 ft. spruce cross arms.

50 4-pin 5 ft. spruce cross arms.

400 special CG glass insulators.

LIST OF REQUIREMENTS AND SPECIFIC DETAILS TO BE INCORPORATED IN SPECIFICATIONS WHEN MAKING PROPOSALS ON MACHINERY AND EQUIPMENT.

Advertisement.

Orangeburg, S. C., January 3, 1916.

Proposals for furnishing either one or two engine-generator-exciter units, one surface condenser, one jet condenser, one motor driven triplex pump, complete switchboard, and approximately 300 tons of cast iron pipe together with valves, fittings, etc., will be received by the Mayor and Councilmen of the City of Orangeburg until 12.00 M. o'clock Tuesday, February 1, 1916.

Each proposal must be accompanied by a certified check in the sum of 10 per cent. of the amount bid, except that should the amount bid be greater than ten thousand dollars, a certified check for one thousand dollars will be considered sufficient. Check is to be made payable to the City of Orangeburg, S. C.

A list of requirements in detail will be furnished prospective bidders upon application to either Jas. E. Salley, Superintendent Water and Light Plant, or T. O. S. Dibble, City Clerk.

The City of Orangeburg reserves the right to reject any or all bids.

T. O. S. DIBBLE, City Clerk.

PREFACE.

In preparing this List of Requirements, it is not our intention to write specifications, but to place before prospective bidders a list of the equipment together with such special data as we desire incorporated into their standard specifications which will form a part of their proposals.

JAS. E. SALLEY,
Superintendent Water and Light Plant.

ENGINES.

Bidders are requested to so frame their proposals as to cover the purchase of either one or two engines of the same size and type, and to comply with the following special designations in preparing specifications:

Rating—Engines are to have a full load rating of 425 B. H. P. when operating with steam pressure 150 lbs. at the throttle and a vacuum of 26 inches. The lowest water rate should be at approximately 50 per cent. of full load rating.

Type—Right hand uniflow, arranged for mounting 250 KW. Alternator and its exciter rotors on shaft.

Speed—180 R. P. M. Alternate proposals with a speed of 200 R. P. M. will also be considered.

Steam Inlet—Arranged for connection with under floor steam mains, preferably, connecting to bottom or side of cylinder. A "U" bend from under floor to top of cylinder will not be considered.

Exhaust Outlet—To be arranged to pass downward through floor to exhaust line connecting with condenser.

Engine Base and Generator Sole Plate—To be furnished by engine builder. Generator manufacturer to furnish drawings showing dimensions for engine builders' guidance.

Economy Guarantees—Economy guarantees are to be based on actual pounds of steam per brake horsepower. Steam will be supplied from two 264 H. P. longitudinal double drum Babcock and Wilcox boilers through pipe and separators as per drawing, "Steam Lines from Boilers." Guarantees based on dry steam or indicated horsepower will not be considered.

Delivery—F. O. B. Orangeburg, S. C., EXCEPT engine shaft, which is to be delivered to generator manufacturer.

GENERATORS AND EXCITERS.

Bidders are requested to so frame their proposals as to cover the purchase of either one or two generators and exciters, and to comply with the following special designations when preparing specifications.

Rating—250 Kilo-Watt at .80 Power Factor when the maximum rise in temperature after ten hours operation at full load is 40 degrees F. above surrounding atmosphere. (A 5 per cent. variation from 250 K. W. will be satisfactory, if necessary, to procure a generator of manufacturers' standard rating.)

Voltage—2,400 volts, when power factor is .80.

Phase—Three.

Alternations—7,200.

MAXIMUM safe temperature in degrees F. to be stated.

Mounting—The generator and exciter are to be mounted on sole plate furnished by engine builder. The rotors are to be mounted on engine shaft, which will be delivered to generator manufacturer by engine builder, and generator manufacturer is to crate and ship engine shaft with rotors mounted with generator.

Efficiencies—Efficiency guarantees are to be calculated to include all losses of generator and exciter except friction of engine shaft in bearings.

Rise in Temperature of Exciter—To conform to that specified for generator.

Delivery—To be F. O. B. Orangeburg, S. C.

Drawings Showing Dimensions of Generator Sole Plate are to be furnished engine builder and duplicates are to be furnished to the City of Orangeburg.

SWITCH BOARD.

Before going into the details of the switch board, the following statement is made in order that prospective bidders will have a better general idea of the plant size and condition. With this information and the details given below a switch board designer should experience no difficulty in preparing specifications and plans for the complete switch board.

Statement.

This switch board is intended for a new plant. The generators, at this time will be the two 250 K. W. units mentioned previously in this list of requirements and one old machine of 125 K. v. A. It is intended that this old unit will be replaced, when the needs of the plant demand it, by a 250 KW. unit similar to the two mentioned. Individual exciters will be used.

There will be two outside feeder circuits, one circuit to the series regulator panel in the basement, for street lighting, and one circuit to furnish motor power for use within the plant.

Proposals are requested for the complete switch board. The following approximate dimensions for the front of complete board are desired: Height, 90 in.; width, 16 ft. 6 in. The following are the panels required in the order named, facing front of board and beginning at the left.

- 1 3-circuit (each circuit 200 KW) EX. panel; or
- 3 20 KW single circuit exciter panels;
- 1 Tirrill Regulator panel;
- 3 300 KW, 2,300 Volt, 3-ph. Gen. panels;
- 2 300 KW do Feeder panels;
- 2 100 KW do Feeder panels.

Remote control non automatic TP DT oil switches for generator panels and feeder panels. All 2,300 Volt oil switches to be mounted on framework to the rear of board. Generator field rheostats are to be located under the floor. All wires, or cables, from switch to generators and from switch to lines will go down from switches. Double three phase busses to be over oil switches.

Each generator panel is to have mounted on it:

- 1 Voltmeter;
- 3 Ammeters;
- 1 Field Ammeter;
- 1 Non-Automatic TP DT oil switch;
- 1 Recording Watt-meter;

Together with voltmeter receptacle, synchronizing receptacle, and field switch.

Each of the feeder panels is to have mounted on it:

- 3 Ammeters;
- 1 TP DT Automatic overload circuit breaker.

The two 100 KW panels are to have in addition, recording watt-meters.

A paralleling switch and synchronizing meter are to be provided for, also.

CONDENSERS.

ONE SURFACE.

ONE JET.

BOTH SAME CAPACITY.

Capacity—When using water of 80 F. degrees temperature must be capable of lifting water from eight feet below base and condensing 7,500 pounds of steam per hour to 26 in. vacuum.

Drive—220 volt, 3-phase, 60 cycle motor (or motors) optional proposal—steam turbine.

Efficiencies—Power required with both methods of drive when condensing 25 per cent., 50 per cent., 75 per cent., and 100 per cent. of 7,500 pounds.

CITY OF ORANGEBURG S.C.

COUNCIL CHAMBER.

Supt.W& L.

R.F.Jennings

Chief Police

City Clerk and Treasurer submitted report of financial
transactions of his office during the month of December 1916

Received as information by following vote

The Mayor, Councilman Felder and von Ohsen

Communication from Mr.W.W.Watson in reference to his con-
tract for the Street Sweepings was read and referred to Councilman
Von Ohsen for adjustment.

Communication from Mrs P.Rich offering to sell a piece
of real estate owned by her adjacent to lands now owned by city and
on which the proposed New Power House is to be erected, was read
and received as information.

Yea The Mayor, Councilmen Felder & Von Ohsen.

Mr.J.M.Albergotti appeared before Council with the re-
quest that Rowe Street be extended across the right of way of the
Atlantic Coast Line Railroad.He stated that he was interested in the
development of a large tract of land South of said Railroad, had
Spent considerable money in this enterprise and the extension of
Rowe Street as indicated by him would not only be of advantage to
him but would result in the building up and development of that por-
tion of the City.

Motion By Councilman Von Ohsen:- Moved that the matter
of the extension of Rowe Street as indicated by Mr.Albergotti be re-
ferred to Councilman Felder, City Atty.Glaze and Engineer Hawes, and
if in their judgement they deemed said extension advisable that pro-
per resolution be prepared by City Atty Glaze to be submitted to City
Council for their action. Adopted.

Yea.Councilman Felder, Von Ohsen and the Mayor.

Rev.Geo.E.Davis representing the Committee in charge
of proposed evangelistic Meeting to be held in the City in February
under the auspices of some of the religious bodies in the City, re-
quested that City have proposed Tabernacle, which they were building,
properly wired and lights installed and current furnished by City,
Also that City have same removed when meeting was over and Tabernacle
taken down.

Upon motion of Councilman Von Ohsen request of Rev.Davis was granted, Supt.Salley instructed to install lights and remove same when necessary,keeping an account of cost entailed and City Clerk and Treasurer to pass check to Water & Light account in payment for same from City funds.

Yeas The Mayor Councilman Felder and Von Ohsen.

Mr.R.F.Walker,local manager of the Southern Bell Telephone and Telegraph Company, appeared before Council with the request that the Telephone have permission to remove four trees located on the North side of Hampton Street,which interfere with proposed improvement of Telephone system in City.

Referred to Councilman Felder for investigation.

Report of Engineer Hawes on petition of sundry citizens requesting the piping of open ditch leading from South Broughton Street to Harley Swamp and the filling of pits in vacant lots near Harley Springs,which was referred to him at meeting of Council Oct. 8,1915,was read. (see report.attached to these minutes)

Referred to Councilman Von Ohsen and Engineer Hawes with power to take such action as in their judgement was proper.

By Councilman Von Ohsen:-

RESOLVED. That the Superintendant of Water & Light Plant be authorized to purchase all of the Electric Meters now in use and owned by consumers of electric current residing in the City of Orangeburg S.C. on the following basis:-

Take the cost of new meter of similar size and type and Deduct 5 % of the cost for each year that the meter has been in service,also,

Deduct 3 % of the cost for each 1000 Kilo-Watt-Hours registered on said meter since it has been in service.

The minimum purchase price to be ONE DOLLAR, which is the value that can be secured in trade for another new meter.

BE IT FURTHER RESOLVED.That the City Clerk and Treasurer be authorized to pay for such meters on the above basis when a Voucher setting forth the size,type,and cost of the meter at the present time,together with the serial number of same has been approved by the Superintendant of the Water and Light Plant and receipted by the owner of the meter.

Signed H.Von Ohsen, Councilman.

Passed.Yea The Mayor Councilman Felder and Von Ohsen.

Engineer Hawes reported completion of following Street sewers, ordered at meeting of Council Oct.8,1916.

Elliott Street Sewer	Cost	\$206.93
Ellis Avenue	"	155.88

Received as information.

Orangeburg S.C. December 22 Nd. 1915.

To The Honorable Mayor, and City Council.

Orangeburg S.C.

Gentlemen;

The Petition to City Council, dated October 7 Th. 1915, from citizens requesting the Piping of open ditch leading from South Broughton Street to Harley Swamp, and the filling of Pits in vacant lands near Harley Spring, was placed in the hands of your City Engineer for investigation.

First; The ditch referred to is commonly known as the "Steam Laundry Ditch"

This ditch was maintained by the city for a number of years, for the past two (2) years nothing has been done by the city in the way of maintenance.

The ditch needs a thorough cleaning out, the logs, bushes and other obstructions removed, If ditch and ditch banks are properly cleaned, and the obstructions removed, so that water will not pond, there is in my judgement no special need from a "Sanitary" standpoint of piping this ditch as long as the effluent from Steam Laundry empties into said ditch, as the said effluent contains Chemicals which are detrimental to the Mosquito, and this waste water is not a menace to health in the community.

If said ditch is piped, it would require a 30" pipe, costing \$2.20 per foot for pipe laid and material required to backfill over pipe. The distance from Windsor Street to culvert pipe crossing under Orangeburg Rail Road being approximately 1060 feet, consequently the cost of piping this ditch for this distance would be, including three man-holes on the line \$2490.00

This ditch is wholly upon private property, crossing through lands of various lot owners.

I recommend that if ditch is piped, that the work be built under the supervision of your City Engineer, at the expense of the property owners.

Second;

In reference to the Pits in land, in the vicinity of Harley Spring. The Petitioners state that pits were dug by city, To the best of my knowledge and belief the city did not excavate these pits, These pits were dug

by private parties.

I have been on the ground and examined the location of the numerous pits, which are containers of stagnated pools of water. These pits cannot be drained, and should be filled in. Since the City did not excavate these pits, the expense of filling same should be borne by the property owners on whose land the said Pits are located.

Furthur, I would recomend, that the City Council, prepare, adopt and enforce an Ordinance prohibiting the excavation of Pits within the City Limits which cannot be drained. This will eliminate the stagnated pools of water which is lying in such dug out holes, and the city would be free from this manace to health in such cumunities.

Respectfully Submitted.

Edward H. H. J.
City Engineer.

Following resolution was introduced by Councilman Von Ohsen and passed by unanimous vote of Council.

yea The Mayor Councilman Felder and Von Ohsen.

RESOLVED, That building for new Water and Light Station, to be erected on property of the City of Orangeburg near Edisto River, be located near center of property, as per sketch attached to these minutes, Also, that reservoirs be located North of Station, and ~~EXX~~- Railroad side track be brought in South side of Station as per Sketch.

City Clerk & Treas.

Received as information by following vote

Yea The Mayor, Councilman Felder and von Ohsen.

Following resolution was passed by City Council, The Mayor, Councilmen Felder and Von Ohsen each voting "yea"

Resolved by City Council that City Clerk and Treasurer is authorized and directed to transfer from City account to water and light account the amount of SIX THOUSAND FIVE HUNDRED DOLLARS (\$6,500.00) amount due to Water & Light account from said City Account.

Mayor
Henry Von Ohsen Councilmen

City Engineer Hawes submitted report giving cost of proposed extension of Rowe Street across the right of way Atlantic Coast Line Railroad, a petition for which had been laid before Council at last meeting by Mr. J. M. Albergotti. (See report attached to these minutes)

Received as information.

Yea The Mayor Councilmen Felder and Von Ohsen.
By Councilman Felder.

RESOLVED, by the City Council of Orangeburg in Council assembled, That for the public convenience ROWE STREET be opened and continued to Union Avenue across the right of way of the Atlantic Coast Line Railroad Company:

RESOLVED, further, that City Council proceed to take the ~~XXXXXX~~ necessary steps for the extension and opening ROWE STREET to UNION AVENUE.

H. Von Ohsen

This resolution was passed by following vote

Yeas Councilmen Felder and Von Ohsen
Nay The Mayor.

The Mayor stated that he favored opening of this street and other improvements but as the financial condition of the City at this time was not in condition to spend money on these improvements he felt it his duty to vote "nay" on this proposition.

Councilman Felder called attention to the Tabernacle now being erected for the Revival Meeting to be held in this City during the month of February, saying that to him it looked that building was insecure. After discussion Engineer Hawes was instructed to inspect this building and insist that same be made safe and secure before occupancy.

AN ORDINANCE TO REGULATE LICENSES IN THE CITY OF ORANGEBURG FOR THE FISCAL YEAR BEGINNING APRIL 1, 1916 AND ENDING APRIL 1, 1917 was introduced by Councilman Von Ohsen and read by title.

Councilman Felder reported that in the matter of removal of trees by Telephone Company as requested at last meeting, that he had investigated this proposition and that residents of Hampton Street objected and he had so advised Telephone people.

Councilman Von Ohsen reported that in the matter of ditch in rear of Steam Laundry on South Windsor Street which was referred to him at last meeting, he was having ditch opened and cleaned out and that he thought that this would remove nuisance complained of.

Councilman Felder stated that the Trustees of the Methodist Church were having the fence to their property moved back ~~which~~ on East Amelia Street (South Side) which made sidewalk wider and that he was working up said sidewalk and that there was some question as to the removal of trees which would interfere with sidewalk. This matter was left in Councilman Felder's hands for adjustment.

City of Orangeburg

Commission Form of Government

COUNCIL CHAMBER

Orangeburg, S. C., January 19 Th. 1916

(Subject Rowe Street improvement Crossing A.C.L.R.R.)

To The Honorable Mayor and City Council,
City of Orangeburg S.C.

Gentlemen;

As requested at meeting of City Council held on January 14 Th. 1916, I herewith submit costs of improvements on the A.C.L.R.R. Cos. right of way, on the South side of tracks in Rowe Street, and West of Rowe Street to culvert at Mr. J.M. Albergotti's line.

(First) The total cost of a brick culvert 300 feet in length, from the South end of present brick culvert under A.C.L. tracks, to run diagonally through the right of way of A.C.L.R.R. to concrete culvert at J.M. Albergotti's line, also 140 feet of 24" Terra Cotta pipe for a ditch draining turn table pit, The excavation for new culvert, The filling in of present canal, The filling of Rowe Street to grade from the Albergotti line to present track grade will cost \$2280.00

(Second) The cost of 4'2" X 6'7" Brick culvert a distance of 30 Feet in length, built on a curve, to the West side of Rowe Street, the construction of 60 Feet of 24" Terra Cotta Pipe crossing of Rowe street, The filling of present canal in Rowe Street, and the filling of Rowe Street to grade from the A.C.L. tracks to the North line of Rowe Street in land of J.M. Albergotti, will cost \$545.00

Respectfully Submitted.

Edward Hanna Jr.
City Engineer.

Mr.J.D.Oliver appeared before Council in reference to the well he is now under contract to bore for the City for new Water Works extension,saying that the machinery that he now is using is not heavy enough to do the work and that unless the City would assist him in getting heavier machinery that he would not be able to continue work as he was out of money and had no way of getting more. Action as this matter was postponed until Next Tuesday when City Council is to meet to open bids ion machinery and discuss matters incident to the Enlargement and extension of Water Works and Electric Light Plant.

Engineer reported that exact location of side track to new Power Station had definitely been decided upon by City and Orangeburg Railroad and that he was working on blue prints of same.

Councilman Von gheen announced that construction of side track would commence on next Monday.

No Further business minutes of this meeting were approved and City Council adjourned.

Yeas,The Mayor,Councilman Felder and Von gheen.

Gibbs Machinery Co	Platte Iron Wks

After hearing these gentlemen all proposals submitted were filed with Supt. J.E. Salley of Water & Light Plant to be tabulated after ~~xxxxxx~~ which a recess was taken until 5 P.M. Feby 2, 1916

Feby. 2, 1916 5 P.M.

Council re-assembled.

Present The Mayor, Councilmen Felder and Von Ohsen

It was decided by Council that action on bids for Machinery be postponed until Friday evening Feby. 4, 1916, a special meeting being called for that purpose. This action was by unanimous vote of City Council.

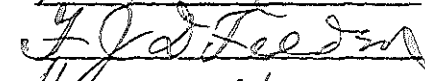

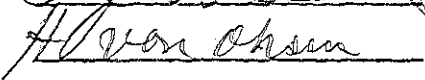

In the matter of communication from Mr. J.D. Oliver in regards boring of Well at new Power Station which was postponed to this meeting for action. Supt. J.E. Salley produced a telegram from the Hughes & Hughes well Specialty Company stating that they stood by their offer to bore well or wells submitted to him Oct. 27, 1915.

Councilman Felder offered following resolution.

RESOLVED, That city release Mr. J. D. Oliver from contract to bore one 8" well at location of New Power station dated Jan. 8, 1916, provided that Mr. Oliver refund to City the amount of \$11.70 paid to said J. D. Oliver on account of said contract and also provided that said J. D. Oliver remove from location all appliances used by him on said well within three days.

FURTHER BE IT RESOLVED. That City Attorney be instructed to draw contract with the Hughes & Hughes Well Specialty Company as per telegram to Supt. J. E. Salley of Feby 2, 1916, confirming their proposal of Oct. 27, 1915 to bore well for the amount of \$900.00 said amount to be paid upon completion of said well.

Bond for the faithful performance of contract to be in the sum of \$500.00.

Mayor

J. J. Felder

H. von Ohsen
Councilmen

Above resolution was adopted,

Yea. The Mayor, Councilmen Felder and von Ohsen.

City Council then adjourned by following vote

Yea The Mayor, Councilmen Felder and Von Ohsen

PROCEEDINGS AT SPECIAL MEETING OF CITY COUNCIL, held Friday
Feb'y 4, 1916 at 5 P.M.

Present.	Hon. R. F. Bryant	Mayor
	F. J. D. Felder	
	Henry Von Ohsen, Councilmen	
W. L. Glaze, City Atty.	T. O. S. Dibble City Clerk	
	J. E. Salley	gupt W & L. Plant

The Mayor stated that special meeting had been ordered to consider and discuss proposals for machinery for new Water & Light station submitted at meeting feby 1, 1916, also, report from City Atty. Glaze in reference to the petition of the Phoenix Reel Company of Nov. 26th which was referred to Councilman Felder, Chief Doyle and City Atty. Glaze.

Atty. Glaze stated that he had conferred with Mr. John S. Bowman Atty for the Home Building and Loan Association in reference to Mortgage held by said Association on property of Phoenix Reel Company which property had been advertised for sale to satisfy mortgage, and if City Council would appropriate the sum of \$300.00, this sum together with amount received from sale of stock held by Phoenix Reel Company and cash paid by reel company would reduce mortgage to \$500.00, which amount the Home Building and Loan Association would be willing to carry, provided Phoenix Reel Company subscribe to 5 shares of Home Building and Loan Stock of June 1915 issue.

Also in consideration of said appropriation of \$300.00 by City Council that following ~~xxxxxxx~~ resolution be passed.

RESOLVED, by the City Council of Orangeburg That The Phoenix Reel Company of Orangeburg South Carolina, are hereby authorized to borrow the Sum of Five Hundred Dollars from the Home Building and Loan Association of Orangeburg, and that said Home Reel Company is hereby authorized to Mortgage its real estate to the said Building and Loan Association to secure the said loan.

Done and adopted by the City Council of Orangeburg in Council Assembled this the Fourth Day of February A.D. 1916.

R. F. Bryant Mayor
F. J. D. Felder
H. Von Ohsen Councilmen

This resolution was passed by following vote

Yea The Mayor Councilmen Felder and Von Ohsen.

It was also

RESOLVED, that the City Clerk and Treasurer be authorized to pay to said Home Building and Loan Association through its Atty John S. Bowman Esquire, the sum of Three Hundred Dollars on account of Phoenix Reel Company.

R. F. Bryant Mayor

H. Von Ohsen Councilmen.

passed by following vote, Yea The Mayor, Councilmen Felder & Von Ohsen

City Attorney was instructed to draw up and have executed an agreement with the Phoenix Reel Company protecting interest of City of Orangeburg in property held by them located on Treadwell Street now used as a fire Station, in consideration of above action of City Council.

Council then gave attention to report of Supt. J.E. Salley, W & L Plant on Proposals of Manufacturing Companies for machinery for New Water and Light Station, which he was instructed to tabulate and report on at this meeting. (See Report attached to these records)

After hearing this report and also receiving further information from representatives of bidders following resolution was offered by COUNCILMAN FELDER.

BE IT RESOLVED? By the Mayor and Councilmen of the City of Orangeburg in Council assembled, that the following proposals for machinery and equipment be accepted, to wit;

GIBBS MACNINERY COMPANY OF COLUMBIA S.C., for two (2) 24" x 23" Skinner Universal uniflow Engines at \$9,839.00

ALLIS-CHALMERS MANUFACTURING COMPANY of Milwaukee Wis. for two (2) 325 K.V.A. generators and direct connected Exciters at \$5,790.00

C.H. WHEELER MANUFACTURING COMPANY of Philadelphia Penn. for one service Condenser at \$2,170.00

MANISTEE IRON WORKS of Manistee Mich. for one low level Jet Condenser at \$1,299.30

H.R. WORTHINGTON OF Harrison N.J. for one motor driven Triplex Pump for \$1,509.00

GENERAL PIPE AND FOUNDRY COMPANY of Atlanta Geo. for approximately 300 tons of cast iron pipe at \$28.95 per ton and fittings at \$60.00 per ton.

W.A. Bryant Mayor

H. von Ohsen councilmen

Passed by following vote

Yea The Mayor, Councilman Felder & Von Ohsen.

P Council then adjourned by following vote

yea The Mayor, Councilmen Felder and Von Ohsen

John B. B. B.
City Clerk

**** JET CONDENSER ****

I recommend the purchase of of jet condenser from the Hanis-
tee Iron Works PROVIDED THAT THE INTENTION OF THE PROPOSAL
was to deliver this condenser F. O. E. Cars Orangeburg, S. C.
for the sum of

\$1399.30

**** SURFACE CONDENSER *****

I recommend the purchase of the surface condenser from the
C. H. Wheeler Mfg. Co. as per specifications covering their
PROPOSAL "A" for the sum of

\$2176.00

*** MOTOR DRIVEN TRIPLEX PUMP ***

I recommend the purchase of one motor driven triplex pump from
the H. R. Worthington Co. PROVIDED THAT WOUND ROTOR MOTOR be
substituted for the word motor in specification for the sum of

\$1599.00

*** CAST IRON PIPE AND FITTINGS ***

I recommend that the proposal of ~~XXXXXXXXXXXX~~ the General
Pipe and Foundry Company covering cast iron pipe and fittings
at 28.95 and \$60.00 per ton respectively, be accepted for
approximately 800 tons of pipe and fittings to be shipped as
ordered from March. 1st. to Sept. 1. 1916.

Yours very truly

Superintendent
OEG. W. & L. PLANT

Orangeburg, S. C.

Feb. 4. 1916

To The Mayor & Councilmen,
of the City of Orangeburg, S. C.

Gentlemen:-

Before submitting recommendation as to the purchase of machinery, I wish to call your particular attention to the fact that quite a number of the proposals received do not comply with our specification sheet inviting bids. We have received only one bid each on engines and generators which do comply with this specification. If it your wish to throw out all proposals not complying, I will refrain from submitting recommendation at this time.

If it is your wish to take up the matter as the proposals have been submitted I will submit the following recommendation, advising you that I have endeavored to give three ~~main~~ considerations about equal weight

- (1) My opinion from general experience and observation
- (2) Efficiencies guaranteed,
- (3) Cost.

*** ENGINES ***

If the Skinner Engine Co. will eliminate the clause referring to ~~assurances~~ the fulfillment of guarantees and make the guarantees as submitted ~~that, unchangeable and~~ ~~Skinner Engine Co.~~,
~~XXXXX~~ I recommend the purchase of two 21" x 29"
Skinner Universal Uniflow engines as specified for the sum of
\$3839.00

*** GENERATORS ****

If The Allis-Chalmers Mfg. Co. will insert in their contract that they will press generator and exciter rotors on shaft and make delivery together with generators and exciters of shaft F.C.B. Orangeburg, S. C. of two generators and exciters as specified except sole plates which are to be furnished by engine builder for the sum of ~~\$5500.00 instead of \$5700.00~~ as proposed, I will recommend the purchase of these two generators and exciters for the sum of

~~\$5500.00~~

\$5700

***** SWITCH BOARD *****

I wish to recommend that all bids covering switchboards be rejected and others called for on the basis of the rough outline submitted herewith.

Report of Chief of Police for month of January as follows:-

Arrests	28
Fines and forfeitures	\$353.00
Days on Public Works	139

read and received as information.

Yea. The Mayor, Councilmen Felder and Von Ohsen.

A Committee from the Young America Fire company consisting of

Messrs H. R. Sims.
H. Zeigler
H. H. Riggs
J. R. Marcus

appeared before Council. Mr. Sims as spokesman for Committee presented petition asking for an appropriation of \$100.00 per month for his Company. He stated that present appropriation of \$65.00 per month was insufficeint to pay running expenses of Company and that other companies of the department were receiving at this time \$65.00 per month, that the reason for his company asking for more than the other companies was that the Young Americas on account of their up-to-date equipment of an Automobile Fire Truck were in position to do double the work of the other companies and in fact were at this time doing more fire service than either of the other companies. They carried 1000 feet of hose, 40 gals of chemicals, ladders and a complete equipment with which to handle any fire and same was operated by members of their company, and for this reason they thought that they were entitled to more money.

After consideration of this appeal Councilman Felder offered Following resolution.

Following communication was read by City Clerk:-

Mr. T. O. S. Dibble,

City Clerk and Treasurer.

City.

Dear Sir:-

I have your favor of the 4th inst. advising me that on yesterday evening the City Council of the City of Orangeburg elected me a Councilman to fill the vacancy caused by the resignation of Councilman F. J. D. Felder. I appreciate very much the honor conferred upon me by this election. I will accept the position and will do my very best for the City of Orangeburg as one of its Councilmen.

Very truly yours,

signed A. C. Watson

This letter was received as information by unanimous vote of City Council.

Mr. D. A. Sprinkle appeared before Council asking for the extension of water main on Mill Street to a point opposite his saw mill and that hydrant be placed thereon for the protection of his property from fire.

Mr. Von Ohsem moved that extension of water main to corner of Mill and Wheeler Streets be granted, provided that Mr. Sprinkle pay for expense incurred in said extension, with the understanding that the City re-imburse Mr Sprinkle for amount expended when water mains are laid through Wheeler Street.

This motion was carried by the affirmative vote of the Mayor Councilman Felder and Von Ohsen.

Councilman Von Ohsen offered the following resolution:-

RESOLVED, That hereafter when a citizen of the City of Orangeburg, living in a street on which no water mains have been laid desires water service, the City stand a part of the cost of the laying standard galvanized service pipe as follows:-

The resident desiring water service is to pay the regular charge for tapping water main and extending service pipe to the property line, as if water line extended through the street on which he lives, and the cost of the extension of the service pipe from the point at which it taps the main to his property line except that,

If contract for the use of water at the regular schedule prices charged by the City is entered into for a period of at least one year, the City will pay the cost of the extension for the first one hundred feet, and one half of the cost of the extension of the next one hundred feet, Provided, that no sizes other than 1/2, 3/4, and one inch pipe shall be used, and that the City shall have the right to connect other residents on any portion of the line after same has been laid according to the conditions stipulated above.

Also, That the City reserves the right to make all such extensions in the Streets of the City and that the charges against the resident shall be at the actual cost of the labor and material for all of the line thus extended except that portion covered by the regular tapping charges, which shall be done at the regular standard price fixed for the usual taps.

This resolution was referred to Supt. J.E. Salley for examination and report at a future meeting of Council.

The petition of Mrs Mary C. Dibble for extension of water service through Mary Street was also referred to Supt J.E. Salley for investigation and report at future meeting.

Bill of American La France Company amounting to \$412.02 for tires for Auto Hose Wagon of the Young America Fire Engine Company was ordered paid by following vote

yes The Mayor Councilman Felder and Von Ohlen.

AMENDMENT TO HOG ORDINANCE

Communication from Mr. P.R. Albrecht, Genl Manager
Atlantic Coast Line Railroad Company in reference to the ex-
tension of Rowe Street across the right of Way of said rail-
road read by City Clerk. (see letter on file in City Clerk
office)

After general discussion of this letter following
resolution was submitted by Councilman Von Ohsen and passed by
following vote.

Yea The Mayor, Councilmen Felder and Von Ohsen.

RESOLVED, BY THE City Council of Orangeburg that Rowe
Street be extended over and across the right of way, tracks and
property of the Atlantic Coast Line Railroad to property of
James M. Albergotti and others and that work be done at the ear-
liest possible time.

H. von Ohsen

Councilman Von Ohsen submitted a motion that proper
officials of the Atlantic Coast Line Railroad be notified that
the City Council had decided to extend Rowe Street in the City
of Orangeburg over and across the right of way, tracks and pro-
perty of the Atlantic Coast Line Railroad Company and that said
Railroad Company be requested to co-operate with the City of
Orangeburg in extending said Street. And to this end the Rail-
road Company is respectfully requested to send their Engineer
to Orangeburg for the purpose of assisting the City Engineer ~~or~~
in the location of said Street on or before June 1, 1916, as the
City is desirous this work done in a manner satisfactory both
to the railroad company and city as far as possible.

This motion passed .

Yea The Mayor, Councilmen Felder and Von Ohsen.

Councilman Felder advised Council the the work of laying
20 inch terra Cotta (2 lines) in Railroad Ditch on the East side
of tracks of Southern Railroad on South Railroad Avenue is now
completed and submitted a statement of cost of work amounting
to \$3,096.00. By agreement between the Southern Railway and the
City of Orangeburg the Railroad is to pay one-half of cost of
this work up to \$1,500.00.

The City Clerk was instructed to send statement to said
railroad and request settlement.

No further business, these minutes were confirmed and
Council adjourned all voting Aye W.L. Glaze city clerk

Present	Hon R.F. Bryant	Mayor
	A.C. Watson	
	H. Von Ohlen	Councilmen.

Mr. W.E. Hughes, representing Hughes Well Specialty Drilling Co. was present and addressed Council in reference to trouble arising in drilling Well No. 2. He stated that he had driven this well with 10 inch piping to the depth of about 120 feet and was unable to drive this pipe any further, owing to rock encountered at this depth, and that while contract calls ~~for~~ eight inch pipe, yet by agreement with Council his people contracted to use 10 inch pipe at an additional price of 30 cents per foot. On account of trouble above mentioned his company requests City Council to be allowed to continue well to completion with eight inch pipe, which he claimed was perfectly practical, and agreed to carry pipe to a depth of 210 feet, the City to pay Hughes Specialty Well Drilling Company 30 Cents per foot for 10 inch pipe already driven.

Superintendent Salley was requested to make a statement to Council in reference to this subject advised Council that inasmuch as the contract calls for the drilling of this well to the same water strata that supplies the small 2" wells and the Hughes well Specialty Drilling Company agrees to drill this well to a depth of 210 feet which is forty feet below this strata he recommended that they be allowed to continue well as above stated with 8 inch pipe and that the 30 cents per foot extra for the 10 inch casing driven be paid to the Hughes Well Specialty Company.

He also recommended that instead of purchasing the strainer and paying the Hughes Well Specialty Well Drilling Company at the rate of \$2.00 per foot for installing the same, that the option provided in the contract of paying \$300.00 flat for furnishing and installing Strainer be accepted.

By Councilman Watson:-

RESOLVED, That City pay the sum of \$884.80 for complete job in drilling and completing Well No. 2 as follows:-

Drilling Well	\$550.00
Installing Strainer	300.00
116 feet 10" pipe at 30 ¢	<u>34.80</u>
	\$884.80

Adopted, Yea The Mayor, Councilman Watson, Von Ohlen.

Minutes of proceedings at special meeting June 19, read and approved by following vote of Council:

Yeas, The Mayor, Councilmen Watson and Felder.

Dr. H.D. Rowe appeared before Council stating that at a call received from Policeman Edwins that he attended professionally a colored woman who had been very seriously cut and needed immediate attention to save her life from loss of blood. That he had sent in a bill to City for professional services rendered in this case and payment of same had been declined. That he thought that he was entitled to his pay as he had been called in by an officer.

Upon inquiry by the Mayor the Chief of Police stated that the woman mentioned was not under arrest and consequently was not under the care of City.

The Mayor advised Dr. Rowe that he would give this matter attention and advise him of decision.

Messrs J.T. Liles and Frank Limehouse were present and stated to Council that Committee on Entertainment of Firemen's Convention were still short about One Hundred and Eighty Five dollars in defraying expenses of Convention and asked if Council would not pass proper resolution authorizing Trustees of Firemen's Fund to appropriate from that fund sufficient amount to pay balance of amount due to liquidate outstanding accounts.

They were advised that the legality of using this fund for purpose suggested would be looked into and that they would receive notice of result of same.

Councilman Watson mentioned to Council that he was working on the matter of the purchase of new Street and Traffic Signs, submitting prices on same but was not prepared at this meeting to suggest action as to same but would at a future meeting submit to Council a definite proposition stating number needed and prices for same.

Councilman Von Ohsen moved that City Clerk and Treasurer continue to ~~pay~~ make weekly payments to the Southern Improvement Company on Bricklaying Work done on new Station, holding back the 20 % of ~~xx~~ amount due as heretofore. Passed.

Yea The Mayor, Councilman Watson and Von Ohsen.

Proceedings at Meeting June 23rd continued.

Engineer Hawes reported work ordered by Council for the drainage of portions of Dixon and Maxey Street and adjacent property completed and nuisance complained of abated.

The Mayor stated that special meeting had been called at the request of Supt. J.E. Salley who desired to submit matters in connection with Well No. 2 now being drilled by the Hughes Well Specialty Co.

He stated that 40 feet of 3 1/2 inch pipe was broken off and fastened in this well and suggested to Council that no further payments be made on account of this well to the contractors until same had been removed and sand accumulation at bottom of well pumped out. Also stated that Mr. Hughes had returned to Charleston and his man was preparing to remove rig used in this work.

Supt. Salley was instructed to communicate at once with Hughes Well Specialty Drilling Co in reference to this matter.

By Councilman Von Ohsen.

Resolved, by City Council that Supt. J.E. Salley of the Water and Light Plant be instructed to notify Hughes Specialty well Drilling Company that upon the completion of Well No. 2, that they proceed to drill Well No. 3 as specified in Contract to cost when complete \$350.00

	T.O.S.Dibble	City Clerk
	Edward Hawes Jr	City Engineer
	J.E.Salley	Supt.W & L Plant

Petition Of Mrs Julia V.Hoffman and other property owners and residents of N.Railroad Ave asking for extension of sewer mains on North R.R.Ave. submitted to Council. Upon motion of Councilman Watson it was received as information and filed for future consideration by following vote:-

Yea, The Mayor, Councilman Watson and Von Ohsen.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED AN ORDINANCE TO PROVIDE FOR THE PUBLIC SAFETY IN REGULATING THE MOVEMENT OF VEHICLES OF EVERY KIND ON THE STREETS OF THE CITY OF ORANGEBURGSC? which passed its first reading at meeting June 9, 1916, second reading at meeting July 14th 1916, was read and passed third reading and was ratified by following vote,

Yea the Mayor, Councilman Watson and Von Ohsen.

Communication conveying thanks of Dixie Club for donation of Council towards defraying expenses of this body in securing the foundation of their Library Building to secure safety of same, which passed this body June 9, 1916, was read and received as information.

Yea The Mayor, Councilman Watson and Von Ohsen.

Councilman Watson reported on petition of Mr.J.M.Green referred to him at meeting July 14th in reference to Cement sidewalk in front of his new buildings on West Russel Street. In order to connect this work with cement pavement already laid it would be necessary to pass in front of property of Mrs L.Bennett and in conference with Messrs Green and Bennett they have agreed to pay one-half of expense of work from Bennets building to western corner of Greens property, each to pay one half of expense in front of their property, the City to pay the other half. The expense of work estimated by Mr Hawes, City Engineer to be \$91.00.

Upon Motion Councilman Watson was authorized to have this work

done each property holder interested to pay one half and the City the other half,

Yea, The Mayor, Councilman Watson and Von Ohsen.

Upon motion of Councilman Von Ohsen, the purchase of one car of brick from the Sumter-Brick Works was authorized.

Yea The Mayor-Councilmen Watson and Von Ohsen.

Upon motion by Councilman Von Ohsen the matter of drainage of water from Claflin University, State College and Webster lands in neighborhood of Dutton Street be referred to Councilman Watson for investigation and report at future meeting of city council .Carried.

Yea The Mayor, Councilman Watson and Von Ohsen.

Council then adjourned upon the approval of these minutes by following vote,

Yea The Mayor Councilmen Watson and Von Ohsen.

City Clerk

Received as information. Vote

Yea The Mayor, Councilmen Von Ohsen and Watson.

AN ORDINANCE ,To Amend the Plumbing Code of City of Orangeburg which received 1st reading Aug. 11, 1916; passed second reading Aug. 28, 1916, passed third reading and was ratified by following vote:-

Yea The Mayor, Councilmen Von Ohsen and Watson.

Letter of Resignation of Mr. W.W. Taylor a member of the Board of Health to be effective at once was read to Council and accepted by that body. Vote.

Yea The Mayor, Councilmen Von Ohsen and Watson.

In accordance with an Act of the General Assembly of 1912 The Mayor appointed Dr. Vance W. Brabham to fill unexpired term of Mr W.W. Taylor whose resignation from the Board of Health had been accepted by Council, which Appointment was confirmed by Council unanimously.

Communication from the Southern Commercial Congress requesting Council to appoint delegates to the annual meeting of that body to be held during this fall, received as information.

Communication from Mr Mortimer Glover containing complaint as to the condition of the second story of the Young America Fire Engine Co. Station as dangerous from a fire standpoint and report on same by Chief Fire Department stating that he had inspected building and found same safe was submitted to Council and by unanimous vote was received as information.

Report of Chief of Fire Department as to recent inspections was at his request postponed until next regular meeting of Council.

City Engineer reported delay in the completion of Street Names and signs was occasioned by delay of shipment of letters for signs to party making same. That two "silent policemen" had been ordered for street crossings.

Following preamble and resolution was offered by Councilman Watson and adopted by following vote:-

Yea The Mayor Councilmen Watson and Von Ohsen.

WHEREAS, Owing to the difficulty experienced in the disposal of the garbage of the City of Orangeburg and also owing to the fact that the Grand Jury of Orangeburg County has called to the attention of the City the fact that complaints have been made to that body of the nuisance and annoyance caused citizens of the County on account of present method of disposal of said garbage;

THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF ORANGEBURG IN COUNCIL ASSEMBLED, that the City of Orangeburg purchase and have installed on the lot owned by the City near Seaboard Avenue one one-unit Nye Oderless Creamatory for the use of said City at the price of Forty Five Hundred (\$4,500) Dollars to be paid in three annual installments from the date of its approval and acceptance.

And it is further resolved, that the Mayor be and he hereby is authorized to execute the notes of the City of Orangeburg for the purchase money as agreed on in contract with the Nye

Oderless Creamatory Company of Macon Geo. with interest thereon at not more than 6 per cent per annum.

R. D. Anderson
Mayor City of Orangeburg

H. von Ohsen
Councilman City of Orangeburg

Councilman City of Orangeburg.

Superintendent of Water and Light Plant J.E. Salley advised Council of the fact that certain parties living on the extension of Goff Avenue, outside of City Limits, were soliciting extension of Electric Light service along extension of said Avenue in order that they might get current from the City, and that said parties were willing to bear expense entailed in establishing this line.

This matter was postponed for consideration at future meeting of Council.

There being no further business these minutes were confirmed and Council adjourned by unanimous consent.

W. S. Salley

City Clerk

Omitted in transcribing above minutes.

Mr. P. M. Smoak President of the Orangeburg Packing Plant was present and inquired of City Council as to the possibility of extending Glover Street westerly to City limits in order that the Directors of the Packing Plant could definitely decide on location of Plant. That they had in view property across the river opposite extension proposed and that if City could extend this street as suggested action would be taken to get County to construct a bridge across the river which would not only help their enterprise but be of great public convenience, and that he would not expect City to make this extension unless they secured the bridge.

Engineer Hawes estimated cost of this extension to be about \$5.40⁰⁰ for a thirty feet roadway and suggested that extension of Calhoun Street to same point would cost about one half this amount.

This matter was postponed for further consideration and in meantime Engineer Hawes was instructed to survey and estimate cost on both extensions.

Sept. 11, 1916

Proceedings at special meeting of City Council held on
Monday Sept. 11, 1916 at 5 P.M.

Present.	Hon R.F. Bryant	Mayor
	H. Von Ohsen	
	A.C. Watson	Councilmen
	T.O.S. Dibble	City Clerk
	W.L. Glaze	City Atty.

The Mayor stated that he had called special meeting to make up Jury Box for the municipal Court in accordance with an "Act to Provide a method of Preparing and Drawing Juries in certain Municipal Courts in Cities of South Carolina".

The names of three hundred persons qualified to serve on the Jury of Municipal Court of the City of Orangeburg were selected by Council and deposited in Jury Box as required by law, box locked and same turned over to the custody of City Clerk.

Meeting took recess to Tuesday afternoon Sept. 12, 1916.

Mr. E.T. Summersett President Southern Improvement Co was present at this meeting at request of Supt. Salley of W. & L. Plant, ~~hasd just if possible the difference between the two parties~~ in interest of settlement for bricklaying of new Water and Light Station.

Supt. Salley submitted statement as to amount of brick laid in building to be 339.346 which at \$4.00 per Thousand as per contract would amount to \$1,357.38 (see statement attached and a part of these minutes).

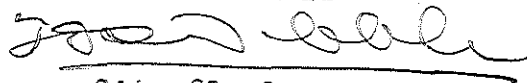

Mr. Summersett submitted a counter statement claiming pay for work done in the amount of \$1,910.98. (See statement attached)

Councilman Von Ohsen moved that adjustment of this matter be left to two competent Architects or Contractors, one to be selected by the Southern Improvement Co, the other by the City of Orangeburg and if these cannot agree another Architect or Contractor be selected by these two and that we abide by their decision.

Carried. See the Mayor, Councilmen Watson and Von Ohsen.

City Atty was instructed to prepare agreement.

No Further business these minutes were approved and Council adjourned

COUNCIL CHAMBER?

PROCEEDINGS AT REGULAR MEETING OF City Council held on
Friday Sept. 22, 1916 at 6 P.M.

Present.

Hon. R. F. Bryant	Mayor
Councilmen	Watson and Von Ohsen.
T. O. S. Dibble	City Clerk
R. F. Jennings	Chief Police
Jas. P. Doyle	Chief Fire Dept.
Jas. E. Salley	Supt. W & L Plant
Edward Hawes Jr	City Engineer

City Clerk read communication from Board of Health.

To the City Council:-

Gentlemen:-

I am instructed by Board of Health to advise your body that at a meeting of said Board at which all members were present, held on Friday Afternoon Sept 15 1916, the resignation of Mr. R. N. Owen, Health Officer, to take effect Sept. 30th 1916 was accepted and Mr. W. W. Taylor was selected to fill vacancy.

The Health Officer was elected to serve at will of the Board of Health, to give his whole time to the duties of his office and to receive \$65.00 per month for faithful performance of his duties as Health Officer.

The Board request that City Clerk and Treasurer be instructed to pay above salary to Health Officer and that he be sworn in as a policeman of the City of Orangeburg.

Yours respectfully

T. O. S. Dibble Secty

Board of Health City of Orangeburg.

Councilman Von Ohsen moved that action of Board of Health be ratified by City Council which motion was passed

Yea The Mayor, Councilman Watson, Von Ohsen.

Communication from Dr. Vance W. Brabham accepting position as a member of Board of Health to fill vacancy created by the resignation of Mr. W. W. Taylor accepted at last meeting of Council, was read and received as information.

Yea. The Mayor, Councilman Watson and Von Ohsen.

Petitions from drivers of Elliott H & L Co and Young America Fire Engine Co asking that appropriation be made for Assistant drivers was read and action deferred.

Regular Meeting Sept. 22, 1916 continued.

A petition from Policemen for a raise in Salary as follows was read and action postponed for future meeting of Council:-

To The Hon. Mayor and Commissioners of the City of Orangeburg

We the undersigned Policemen of the said City of Orangeburg, do earnestly request a raise, if possible, in the salaries we now get. We make this request not in a spirit of dissatisfaction but for the reason that everything necessary to live has increased in price and it is hard for us to make ends meet with our present salaries.

Respectfully submitted.

H.E. Franklin

A.F. Axon

G.S. Kirkland

W.H. Edwins

Z.M. Wolfe.

This petition was numerously signed by business people and tax payers of the city.

Letter from Deputy Insurance Commissioner, inclosing copy of report on inspection of the Fire District recently in which he finds conditions very unsatisfactory was read by City Clerk.

Chief Fire Dept. Doyle was present and stated that majority of places condemned and found unsafe had been cleaned up and were in good condition, that others were still in bad shape and that he had served notice on the owners or tenants to attend to same at once, which they promised to do and that he would personally make an inspection and report on same.

He also submitted a report on inspection of flues.

The whole of the above matter was referred to Councilman Von Ohsen and Chief Doyle with request that they give this matter immediate attention.

Chief Doyle requested permission to order following supplies :-

3 Shut off Nozzles

1 play pipe

4 Axes

3 Smoak Masks.

He was instructed to order above by following vote.

Yea The Mayor, Councilman Watson and Von Ohsen.

Engineer Hawes reported progress on Survey of extension of Clover Street to City Limits as instructed at last meeting.

No further business these minutes were approved and Council adjourned.

Received as information.

Yea The Mayor, Councilmen Watson and Von Ohsen.

A petition numerously signed by citizens and properholder of the City requesting Council to change location decided on to establish the Incinerator Plant recently contracted for by the city to some other point claiming that if located at point contemplated by City that it would prove a nuisance and thereby injure ~~their~~ their property for residential purposes.

Mr. Mason Crum on behalf of himself and other petitioners addressed council.

Upon Motion of Councilmen Von Ohsen this Petition was referred to Councilman Watson for investigation and report at future meeting of Council. Motion passed.

Yea The Mayor, Councilman Watson and Von Ohsen.

Petition of members of Police Department asking for increase in salary which was postponed from last meeting was discussed by Council and action postponed by following vote.

Yea The Mayor, Councilmen Watson and Von Ohsen.

Petition for permit to move gasoline tank now installed corner of Court House Square and North Middleton Street and install same on East Russel Street, North side, ~~near~~ near intersection of N. Railroad Avenue in front of store of Jennings and Bowman. Also petition from Mr A. C. Walker to place another tank at location from which above tank is to be removed, installation of both these tanks to be under City Ordinances applicable there to were referred to Councilman Von Ohsen and Fire Chief Doyle with power to act as they saw fit by following vote

Yea The Mayor, Councilmen Watson and Von Ohsen.

Mr. J. M. Albergotti appeared before Council stating that he was now ready to make improvements and construct Dwellings on his property South of Atlantic Coast Line R.R. Co right of way as per his promise to Council in return for the extension of Rowe Street across the Coast Line Railroad tracks. He now asks the City to accept the continuation of Rowe Street through his property to Susan Galancy line also Union Avenue running West to East through his property; also that City supply water, Light and Sewerage at an estimated cost of \$2,700.00 of which amount he is willing to contribute \$800, or he is willing to advance full amount of cost of these improvements which amount so expended be returned to him without interest upon the completion and connection to this service of at least ten Dwellings.

Action on this petition was postponed and Mr. Albergotti was requested to put his proposition in writing for consideration by Council.

Chief Doyle reported to Council that the Fire Department was in need of additional fire hose and Councilman Von Ohsen moved that City buy 1500 feet of hose and that City Clerk and Chief of Fire Department have prices and samples submitted for the information of Council, which motion was carried.

Yea The Mayor, Councilman Watson and Von Ohsen.

By Councilman Watson. Be it resolved that owing to the proposed ~~xxxx~~ increase of cost of Terra Cotta Piping on Nov. 1st of which Council has been advised that City purchase \$1000.00 worth of terra cotta Piping under their contract at once.

This motion was carried by following vote

yea Councilman Watson and Von Ohsen

The Mayor voting Nay.

The Mayor in voting "Nay" stated that he did so on account of financial condition of City there not being the necessary funds at this time available for the purchase of this amount of Piping; That he was willing to purchase amount of Terra Cotta Piping absolutely needed by City at this time but for no more.

Councilman Von Ohsen moved that Chairman of Street Committee proceed at once to widen South side of West Amelia Street and also North side of same Street at whatever points the property has been donated for this purpose, which motion received unanimous consent.

City Clerk was instructed to call to the attention of the Southern Bell Tel. Co to the fact that telephone pole on North Railroad Avenue which they were instructed to remove at meeting August 11th had not been moved and that same must be done not later than Nov. 1, 1916

A motion of Councilman Von Ohsen that the continuation of Cemetery Street and the opening of a new Street North of Cemetery Street to North Broughton Street be referred to ~~Councilman~~ City Engineer Hawes to secure right of Way for these two Streets and report to Council, was adopted unanimously.

No Further business these minutes were confirmed and council adjourned by unanimous consent.

Wm. H. Doyle City Clerk

CITY OF ORANGEBURG.

COUNCIL CHAMBER.

Oct. 17, 1916

Proceedings at special meeting of City Council held on Tuesday Oct. 17, 1916 at 5 P.M.

Present:-

Hon. R.F. Bryant Mayor

Messrs H. Von Ohlen

A.C. Watson Councilmen.

T.O.S. Dibble, City Clerk

Mayor stated that he had called special meeting of Council to act upon proposition of Mr. J.M. Albergetti in reference to the extension of Water, Light and Sewerage service to cover his property now being developed located South of the right of way of the Atlantic Coast Line Railway Company.

City Clerk was instructed to read proposition submitted by Mr. Albergetti which was as follows:-

Hon. R.F. Bryant, Mayor, and

H. Von Ohlen and A.C. Watson, Councilmen.

Orangeburg S.C.

Gentlemen:-

Pursuant to my proposition to you last night, I herewith submit said propositions to you in writing, which are as follows, to-wit:-

I will pay for the installation of an adequate and complete sewer, water and light service, to my lots, which lie on the East side of South Broughton Street, in the City of Orangeburg South Carolina: said service to start from the corner of Dukes Avenue and South Broughton Street, down South Broughton Street in a southerly direction, to Union Avenue, on said property, thence up said Union Avenue in an Easterly direction to a point approximately three hundred and fifty feet from the proposed extension of Crystal Street.

This service is to consist of such water mains as will afford ample fire protection to any houses that may be built in vicinity; the sewer lines shall also be ample for as many houses as may be conveniently built on said property, in the vicinity in which they shall lie, and the electric light line shall also be ample to furnish adequate lights and current for all reasonable service that may be required of same in said vicinity.

I will pay for the installation of all such service, said service not to cost the City of Orangeburg anything until there shall have been ten connections with all of said service, on said property, and when said ten connections have been made, then then the City of Orangeburg is to reimburse me for the total expense incurred by the installation of such service, exclusive of any interest whatsoever, provided the said City, under no condition, shall pay back anything before one year has expired,

Extra Meeting Oct. 17, 1916

continued.

If this proposition does not meet with your approval, I herewith submit another, the following proposition, to wit:-

I will pay Eight Hundred (\$800.) Dollars to the City of Orangeburg, Cash, upon the condition that the City will put down the above enumerated sewer, water and light service, as above set out, adequately and ample for all reasonable purposes, as recited above, and that ~~if~~ this cash payment is to be made absolutely free on my part, I never to receive any part of same back.

Either of these propositions I wish to be acted upon immediately, on account of anticipated increase in cost of material.

very respectfully

(signed) J.M. Albergotti.

Witness Jessie Shuler
J.S. Salley.

After discussing the above proposition received from Mr. Albergotti, Councilman Watson submitted the following resolution, which was adopted by following vote:-

Yea The Mayor, Councilman Watson, Von Ohlen.

Resolved by City Council of Orangeburg in Council assembled, that proposition one, submitted by Mr. J.M. Albergotti, to wit:-

"I will pay for the installation of an adequate and complete sewer, water and light service, to my lots, which lie on the East side of South Broughton Street, in the City of Orangeburg, South Carolina, said service to start from the corner of Dukes Avenue and South Broughton Street, down South Broughton Street in a southerly direction, to Union Avenue, on said property, thence up, said Union Avenue in an Easterly direction to a point approximately three hundred and fifty feet from the proposed extension of Crystal Street.

This service is to consist of such water mains as will afford ample fire protection to any houses that may be built in the vicinity; the sewer lines shall also be ample for as many houses as may be conveniently built on said property, in the vicinity in which they shall lie, and the electric light line shall also be ample to furnish adequate lights and current for all reasonable service that may be required of same in said vicinity.

I will pay for the installation of all such service, said service not to cost the City of Orangeburg anything until there have been ten connections with all of said service, on said property, and when said ten connections have been made, then the City of Orangeburg is to reimburse me for the total expense incurred by ~~the~~ the installation of said service, exclusive of any interest whatsoever; provided the said City, under no condition, shall pay back anything before one year has expired," dated October 1916 be accepted by City Council with the further understanding that the cost of proposed dwellings on this property be not less than \$2.500 each; Mr. Albergotti to pay cost of construction of water lines, Sewer and Electric lines at such times as amounts ^{become} due for construction of same.

Mr. Albergotti to furnish the City with cash or good and

Special meeting Oct.17 1916 continued.

sufficient bond to secure City.

If on account of any unforeseen circumstances, improvements on aforesaid property guaranteed by Mr. Albergotti are discontinued and stopped, work on extension of this service to be at once discontinued by City.

City Attorney is instructed to draw up and have executed all papers necessary to carry out the object of this resolution.

Messrs W.W. Wannamaker and J.T. Liles, representing the Committee on entertainment of the State Officials, Citadel Cadets and Cadets from Clemson College and other distinguished visitors expected to be in the City on the occasion of the foot ball game between Clemson and the Citadel, solicited aid from the City towards expense of entertainment of these distinguished guests of the city.

Upon motion of Councilman Watson which received unanimous consent this matter was left to the judgement of the Mayor with power to act.

City Clerk was authorized to settle rent due by Orangeburg Military Band, now in service with 2nd Regiment S.C. Volunteers on the Mexican border, amounting to \$60.00. by following vote.

Yea The Mayor, Councilmen Watson and Von Ohlen,

There being no further business council adjourned.

City Clerk

Proceedings at regular meeting of City Council held on
Friday October 27, 1916 at 6 P.M.

Present	The Mayor	Hon R.F. Bryant
	Councilmen	A.C. Watson
		Henry Von Ohlsen.
	City Clerk	T.O.S. Dibble
	City Atty	W.L. Glaze
	" Engineer	Edward Hawes Jr
	Chief Police	R.F. Jennings.

Minutes of proceedings at extra meeting held Oct 17th read
by City Clerk and approved by following vote

yea The Mayor Councilman Watson and Von Ohlsen.

Petition of Messrs G.L. Salley, J.W. Culler and other citizens residing on or near Ellis Avenue requesting Council to lay concrete sidewalk and granite curbing on the North side of Ellis Avenue from Cemetery to Broadwell Street, was read by City Clerk, and same was received as information by unanimous vote.

Councilman Watson offered a resolution that the City expend \$1000 of funds now in hand on Granite Curbing, including the amount already recently expended, Said Curbing to be laid at points where the property holder agrees to pay one-half of the expense, the City to bear the other half. Passed.

Yea The Mayor, Councilmen Watson and Von Ohlsen.

Mr. Hill representing the Orangeburg Veneer Plant appeared before Council with the request that City open up West Glover Street to Salley Street and Salley Street South to their Plant. Mr Hill explained to Council that he made this request for the reason that it was extremely difficult for traffic to reach their plant on account of the absence of Street connections and they needed this extension for the purpose of having facilities with which to handle traffic to and from the Veneer Plant.

Councilman Von Ohlsen Moved that The City accept the extension of West Glover Street from Riggs Street Westerly to right of way of Orangeburg Railway, Salley Street from West Glover Street to right of way of American Telephone and Telegraph Co, Maple Street from West Glover Street, Southerly to lands of Annie Jackson, and the Street Committee be instructed to open up Streets as requested by Mr Hill. This motion was carried by following vote,

Yea The Mayor, Councilmen Watson and Von Ohlsen.

Mr. William C. Wolfe, President of the Orangeburg Railway was present and stated that his road would dedicate necessary property to City in order that they might open these streets.

(See Engineer Law Co Road in Safe)

Regular Meeting Oct.27,1916 continued.

Engineer Hawes read a letter from the Macon Sewer Pipe Co successors to the H.C.Stevens Co. with whom City has a contract for Sewer Pipe for year ending Nov.1,1916 in which they notified City of an advance in price of T.C.Pipe and consequently an advance in price for the additional amount of pipe authorized by Council at last meeting. Mr.Hawes was instructed to take this matter up at once with the Macon Sewer Pipe Company and also the H.C.Stevens Company and let them know that City ordered this T.C.Pipe under the Contract and expected to pay only price agreed upon under contract.

Engineer Hawes reported to Council that he was widening West Amelia Street between Middleton and South Broughton at points where property owners were willing to give right of way.

Councilman Watson moved that City Council accept right of way offered by Mrs M.C.Dibble and Adden Bros for the opening of a new street from Green Street to South Broughton Street and that Street Committee be authorized to open said new street, which motion was carried by following vote:-

Yea The Mayor,Councilman Watson and Von Ohlsen.

City Clerk was instructed to communicate with the Atlantic Coast Line Railroad and request them to complete work over their right of way on Rowe Street as soon as practicable and keep same open for the public use. Also,advise Mr.King the Superintendent of the Southern Railway that lights at their passenger station were insufficient ,especially at northern extension of umbrella shed ,and request that more lights be installed.

No further business these minutes were confirmed and Council adjourned by following vote:-

Yea The Mayor,Councilman Watson and Von Ohlsen.

City Clerk

CITY OF ORANGEBURG.

COUNCIL CHAMBER.

Nov.10,1916

Minutes of proceedings at regular meeting City Council held Friday Nov,10,1916 at 6 P.M.

Present:-	The Mayor	Hon R.F.Bryant
	Councilmen	Henry Von Ohsen
		A.C.Watson.
	City Clerk	T.O.S.Bibble
	Engineer	Edward Hawes Jr
	Supt.W & L	J.E.Salley
	Chief Police	R.F.Jennings.

City Clerk and Treas.submitted financial report of transactions of his office for month of October which was received as information by following vote:-

Yea The Mayor,Councilmen Watson,Von Ohsen.

Report of Chief Police month of October as follows:-

No.Arrests	103
Fines and forfeitures	\$406.50
Days on Public Works	29
Transferred to Magistrate	1
Received as information?	-

Yea The Mayor,Councilmen Watson and Von Ohsen.

By Councilman Von Ohsen: Resolved that extra appropriations be allowed

Young America Fire Engine Co	\$8.75
Ind.Elliott Hook & Ladder Co	4.38

for the purpose of paying City Taxes for 1916. Passed by following Vote

Yea The Mayor,Councilman Watson,Von Ohsen.

Petition of Parties conducting Transfer business in the City,praying Council to make License of parties applying for same who reside out of the incorporate limits of the City and desire to engage in the Transfer business within the City \$30.00 per day or balance of License year.

The petitioners set forth the fact that an injustice is done the regular licensed transfer men when other parties are granted license at the rates now charged come in and do business at times during the best paying periods of the year,thereby tak-away business from our own people who are here all the year and make a living out of the Transfer business.

That License is \$2.50 per day for parties complained of and that petitioners do not think that is enough under the circumstances above enumerated and aske Council to make it \$30.00 per day.

This petition was received as information for the reason

that it would take three meetings of Council to change License Ordinance and this would not cover Fair Week one of the Periods referred to.

Vote. Yea The Mayor, Councilmen Watson and Von Ohsen.

Superintendent Water and Light Plant, reported to Council that 1750 feet of Cast Iron Pipe will be required to complete water mains on Union Avenue and that the cost will approximate \$1,285.30 for pipe and fittings for this job and that he also will require extra piping to complete pipe line from new Power station.

Councilman Von Ohsen moved that Supt. Salley be authorized to purchase necessary pipe and fittings to complete Union Avenue Job also additional pipe and fittings needed to complete pipe line from New Power Station. This motion was carried by following vote:-

Yea The Mayor, Councilman Watson and Von Ohsen.

Chief Fire Department Doyle and City Clerk Dibble to whom were referred the matter of purchase of hose for Fire Department at meeting Oct. 13, 1916 submitted following report:-

To The City Council,

Gentlemen:-

Having been appointed by Council to obtain prices and make recommendation to City Council in the matter of the purchase of 1500 feet of hose for the use of the Department, we will report that we have had prices and samples submitted from four Manufacturers, the Eureka Fire Hose Co, Fabric hose Company, Callahan Hose Company and Pyrene Mfg Co, and suggest that following hose be purchased, to wit:-

From Eureka Fire Hose Co

700 feet Helmet Brand at 90 ¢ per foot

From C.C.C. Fire Hose and Rubber Co.

300 feet Ontario Brand at 90 ¢ per foot

500 " Hampton " " 80 " "

making cost of same \$1,300.00

Respectfully submitted

Signed T.O.S. Dibble
Jas P. Doyle.

Councilman Von Ohsen moved that City Clerk be instructed to order above hose which was passed by following vote:-

Yea The Mayor, Councilmen Watson and Von Ohsen.

City Attorney was instructed to draw up agreement between Mrs M.C. Dibble and the City of Orangeburg in connection with the widening of West Amelia Street for approval by City Council. Council then adjourned after approving these minutes.

Proceedings at regular meeting of City Council held on
Friday November 24, 1916 at 6 P.M.,

Present. Hon R.F. Bryant Mayor

Councilmen E. Von Ohsen and A.C. Watson.

City Clerk Dibble

Chief Police Jennings

City Clerk read communication from Chief Engineer of the
Atlantic Coast Line Railroad Company in reference to repairs to
Bridge on South Railroad Avenue, which was received as information

Yea The Mayor, Councilmen Watson and Von Ohsen.

Communication from Mr. J. Stokes Salley requesting City to
refund to him cost of repairs to his sewer caused by obstruction
to main sewer line on East ~~xxxxxx~~ Amelia Street amounting to \$6.25
was read. Engineer Hawes stated in connection with this matter
that he had investigated as to trouble with Mr. Salley's sewer line
and found that Main sewer line nearly opposite Center Street was
clogged causing Mr. Salley's Sewer to overflow and that he recommend-
ed that claim be paid. City Clerk was instructed to pay claim of
\$6.25 to Mr. Salley by following Vote:-

Yea The Mayor, Councilman Watson and Von Ohsen.

Communication from Rev. J.B. Taylor in reference to water
from N. Railroad Avenue overrunning his property on said Avenue, was
read and same referred to Councilman Watson and City Engineer Hawes
for adjustment withn power to act by following vote:-

Yea The Mayor, Councilmen Watson and Von Ohsen.

Communication from Mr. W.C. Wolfe, President of the Enterprise
Land Company dedicating land for the extension of East Glover, Salley
and Maple Streets, referred to City Attorney.

Supt. Salley Water and Light Plant submitted prices on cement,
and stone for engine foundation at new power station, as obtained
by him:-

Carolina Portland Cement Co	Cement 2.42	Stone 1.53
Weston and Brooker		" 1.74 & 1.64
Ayres & Williams	" 2.35	
Mason Crum		" 1.53

Upon motion Councilman Von Ohsen Mr. Salley was authorized
to buy necessary cement and stone for Engine foundations ~~xxxx~~ at
best prices obtainable, also to have wood work of roof of station
building painted. by following vote:

Yea the Mayor, Councilman Watson and Von Ohsen.

Councilman Watson from Health Committee reported that
 incinerator recently contracted for by City had been erected on
 land on bank of Edisto River conveyed to City by Preston B. Sanders
 under following agreement.

State of South Carolina.

County of Orangeburg.

This memorandum of agreement made and en-
 tered into this third day of November, 1916, by and between the ~~six~~
 City of Orangeburg and Preston B Sanders, all of the County and
 State aforesaid,

WITNESSETH: that for and in consideration of the cove-
 nants hereinafter contained and the sum of one (\$1,000) dollar
 the said Preston B. Sanders covenants and agrees to sell and con-
 vey when required, to the said City of Orangeburg, its successors
 and assigns, a small portion of his tract of land in the City
 of Orangeburg known as the "Jack Oak" Tract. The small portion
 of land being situated on the Southwest corner of said tract
 on river and which is not to exceed one half ~~xxxxx~~ of one acre
 in quantity, for the purpose of erecting and constructing there-
 on by the City of Orangeburg an incinerator for the use of said
 City; the old river road at the river to be used for locating
 Incinerator also.

And in consideration of the premises the City of Orange-
 burg hereby covenants and agrees that the said Preston B. Sanders
 shall have at all times the right to have and remove free of cost
 the ashes and sediment remaining from said incinerator.

Also that said Incinerator had been accepted by City Council and Board of Health and that notes in settlement for same had been executed by the city as per agreement, on December 4, 1916. Notes drawing interest at 6% payable semi-annually.

Received as information by following vote.

Yea The Mayor, Councilman Watson.

Upon the conclusion of routine business Mrs Rembert from the State Board of Health addressed Council in interest of the endowment by the City of Orangeburg of a bed in the State Tuberculosis sanitorium at Columbia. The Mayor assured Mrs Rembert that the matter would be discussed at a future meeting of Council after City Attorney had reported on the legal status of this proposition.

No further business these minutes were confirmed and Council adjourned.

City Clerk

THE STATE OF SOUTH CAROLINA,

CITY OF ORANGEBURG.

COUNTY OF ORANGEBURG.

Whereas the Southern Railway Company, a corporation doing business in this State and in this City, has applied to the City Council of Orangeburg for permission to cross South Rail Road Avenue, as indicated in said written request by Messrs. Moss & Lide, Attorneys, bearing date of November 29, 1916, which request and letter will be attached to this resolution and form a part of the same. The said Southern Railway Company desires to build and construct a track from its main line to the Orangeburg Packing House, a Corporation recently organized in the City of Orangeburg.

Now therefore be it resolved and ordained by the City Council of Orangeburg, in Council assembled, that the Southern Railway Company be allowed to extend and lay its track and rails over and across South Railroad Avenue as requested in said letter or instrument hereto attached by Messrs. Moss & Lide, Attorneys, for the purpose of constructing, building and extending its side track from its main line to the said Packing House, provided and on expressed condition that the said crossing shall be a grade crossing and that the same shall be properly graded, planked and put in order for the travelling public and that the said crossing shall at all times be kept and maintained in good order and condition for traffic and the travelling public, so long as the said crossing shall be used and in case of a failure to properly keep and maintain the said crossing this permission may be revoked by the Council of the City of Orangeburg.

The said proposed crossing and side tract are shown on a blue print made by J. A. Killian, Resident Engineer for the Southern Railway Company, dated November 20, 1916, to which reference is hereby made.

Done and ratified in Council at Orangeburg, South Carolina, the eighth day of December, 1916.

Attest.

Councilmen	A. C. Watson
	Henry Von Ohsen.

Following Petition from Mr. J. M. Albergetti was submitted to Council:-

Orangeburg S.C. Dec. 13, 1916

To the Honorable Mayor and Councilmen
of The City of Orangeburg, S.C.

Gentlemen:-

The undersigned respectfully petitions you to lay and construct a Cement sidewalk on the East side of South Broughton Street from the tracts of the A.C.L.R.R. Co to the Northern line of Union Avenue and also on Union Avenue (both sides of Street) from Broughton Street to a point three hundred (300) feet East of Rowe Street, and also on Rowe Street (both sides) from the Northern side of Union Avenue, Northerly, to the right of way of the A.C.L.R.R. Company.

Your petitioner agrees to pay one half of the cost of laying said sidewalks

Very Respectfully

Signed J. M. Albergetti

Witnesses

Signed. Theo. M. Wolfe

Shala H. Arant.

Councilman Watson moved that petition of Mr. Albergetti be received as information and filed in regular order for action of Council when City is in position to take action on same. Carried.

Yea The Mayor, Councilmen Watson and Von Ohsen.

Following Communication was read as received from Mr. Albergetti

Orangeburg S.C. Dec. 13, 1916

To the Mayor and Councilmen
of the City of Orangeburg S.C.

Gentlemen:-

I have to-day mailed to you a petition requesting you to place cement sidewalks on Union Avenue and adjoining streets as detailed in Petition.

I understand that it is the desire of the City Council to encourage this work and that the Council acts favorably on these petitions when the finances permit and in the order of their being filed.

I am very anxious to have this work done immediately and therefore, I have given the contract for the work to be commenced at once. This work is to be standard (the same as all other sidewalks now in use in the City). I trust that you will appreciate my position in the matter and that when my petition is reached,

Minutes Regular meeting of City Council Dec.22,1916 Contd:

you will give it favorable consideration and reimburse me one half the cost.

Yours very truly,

Signed J.M.Albergotti.

Upon motion of Councilman Watson the following resolution was adopted by City Council, vote being as follows:-

Yea The Mayor, Councilman Watson and Von Ohlen.

RESOLVED, That James M. Albergotti be and he is hereby given permission to construct or lay a cement pavement or sidewalk on the East side of South Broughton Street, in the City of Orangeburg, from the tracts of the Atlantic Coast Line Railroad Company, where the Railroad intersects said Street, running thence Southward to the North side of Union Avenue and also both sides of Union Avenue Eastward from South Broughton Street to a point approximately three hundred feet East of Rowe Street; and also both sides of Rowe Street from Union Avenue Northward to the right of way of the Atlantic Coast Line Railroad Company. Such Pavement shall be laid according to the standard specifications of the City of Orangeburg for such work, and under the supervision of the City Engineer of said City. This permit is limited to twelve months from the passage of this resolution. The City of Orangeburg in granting such permit in no wise assumes any liability express or implied for the cost of such pavement or for the cost of construction thereof.

Garbage disposal was discussed by Council and City Clerk was instructed to issue circular letter to citizens advising them that it was the intention of City to enforce same and also distribute copies of said Ordinance.

Inquiry from Rev. J. I. Mc Lees through Councilman Von Ohlen desiring to know if City would allow him to connect private line with the Water Mains of City if so was the City in position to furnish him with water at his residence in the suburbs. After it was the sense of City Council that Mr. Mc Lees be allowed to connect a private water line with City mains, provided same be at his own expense and that water be furnished as requested at rates to be applied by Water & Light Plant.

Superintendent was empowered to employ an additional Fireman for W. & L Plant.

Upon motion of Councilman Watson the salary of Mr. J. S. Mackey, Lineman of Water & Light Plant, was increased to \$80.00 per month from Jan. 1, 1917. by following Vote

Yea The Mayor, Councilman Von Ohlen and Watson.

Councilman moved that salaries of Policemen and Street Superintendent be increased \$5.00 per month from Jan 1, 1917. Adopted. Vote. Yea The Mayor Councilmen Watson and Von Ohlen.

CITY CLERK WAS INSTRUCTED TO communicate with Mrs Rembert of the State Board of Health that City at this time would not bind themselves to endow a cot in the State Tuberculosis Sanatorium, but would pay for any deserving patient whose case was approved by City Board of Health and Council, and was a worthy subject of Charity.

There being no further business these minutes were approved and council adjourned by following vote.

Yea The Mayor, Councilman Watson and Von Ohlen.

City Clerk.
