Joint meeting called to discuss matters pertaining to work now progressing.

Mr. McCeehee contractor for paving work was present and stated that he was having trouble in keeping public off paving under construction. That they disregard barricades and have given him considerable trouble. The Mayor stated that City Authorities would assist the contractor through the Police Department and also would commission Mr Van Ordel the Inspector as a policeman.

Mr. McCeehee also stated that altho' the finish of marking off the edge of sidewalk with a line was not in contract, and had been required by Engineer, he was willing to do this work, but he protested against long haul of surplus dirt that had been required. That he was willing to make reasonable haul of say one-half mile but that long hauls required on West Russel Street was beyond reason.

Commission assured Mr. McCeehee that they would take these matters under consideration.

Orangeburg S.C. July 22, 1921

To the Hon. Mayor

and Councilmen ,

City of Orangeburg S.C.

Gentlemen:-

We hereby propose and agree to manufacture for you, after your acceptance of this proposition, and the signing and execution of the accompanying contract,

THE APPARATUS AND EQUIPMENT

herein named and described; same to be built and shipped in accordance with the specifications hereto attached, for the sum of THIRTEEN THOUSAND DOLLARS LESS ALLOWANCE FOR TEAM AND SEAGRAVE TRUCK, SEVEN HUNDRED DOLLARS.

The specifications and memoranda attached hereto form a part of this proposal and contract and are subject to changes desired by the purchaser, provided such alterations are interlined prior to the signing of these papers and do not materially affect the cost of the construction of the apparatus.

Unless accepted within 15 days from date, the right is reserved to with-draw this proposition

THE SEAGRAVE COMPANY
BY; M. B. Saunders

THIS AGREEMENT, made in duplicate by and between THE SEAGRAVE COMPANY, of Columbus, Ohio, first party, and The City of Orangeburg, S. C. By its authorized representatives, second party

Witnesseth:

First. The said party hereby agrees to furnish the apparatus and equipment according to the specifications hereto attached and made a part of this contract, and to deliver the same as hereinafter provided.

Second. The first party guarantees that all material and workmanship in and about said apparatus and equipment shall comply with said specifications, and will replace free of charge at its factory any part found within one year to be defective in workmanship or material. This applies to all parts of said apparatus manufactured by said first party. On rubber tires, magnetos, batteries, self starters and other accessories purchased from other manufacturers the guarantee of said manufacturers will apply.

Third. The said apparatus and equipment is to be delivered to a transportation Company at Columbus, Ohio, within about one hundred working days after the receipt and acceptance of this contract at the first party's office at Columbus, Ohio, delays due to strikes, failures to obtain cars, materials, or to other causes beyond its control not preventing, and shall be delivered to said party of the second part f.o.b. cars at Orangeburg, S. C.

Fourth. A competent demonstrator will, upon request, be furnished by first party to demonstrate said apparatus for party of second part and to give its employees the necessary instructions in the operation and handling of said apparatus. In case such demonstration is requested, then such demonstration shall be held to be made solely by and under authority and direction of said party of the second part.

Fifth. The second party purchases and agrees to pay for said apparatus and equipment, the sum of THIRTEEN THOUSAND DOLLARS (\$13,000.00), payable in cash within 10 days after arrival at destination. Less allowance of SEVEN HUNDRED DOLLARS for Team & Truck. TWO THOUSAND FIVE HUNDRED DOLLARS cash. Balance paid by three negotiable notes of date One, Two, and Three years from date of delivery and acceptance.

Interest at six per cent per annum, payable semi-annually shall be paid upon all deferred or past due payments. If more than one piece of apparatus is covered by this contract, the above terms of payment shall apply to each piece and an invoice covering each piece shall be rendered in the amounts as listed below.

Sixth. In case the second party desires to test the said apparatus before payment is made such test shall be made within ten (10) days after arrival at destination, and a written report of such test forthwith delivered to the first party at its principal office at Columbus, Ohio. If no such test be made, or if no such report be made by the second party within ten (10) days after arrival, then said apparatus and equipment shall be considered as fully complying with contract and specifications.

Seventh. It is agreed that the apparatus and equipment covered by this contract shall remain the property of the first party until the entire contract price has been paid, but if more than one piece of apparatus is covered by this contract, then each piece shall remain the property of the first party until the above listed price for such piece has been paid in full, and in case of any default in payment the said first party may take full possession of the apparatus and equipment, or of the piece or pieces upon which default has been made, and any payments that have been made shall be applied as rent in full for the use of the apparatus and equipment up to date of taking possession.

This contract to be binding must be signed and approved by the President and Vice President and General Manager of The Seagrave Company or some one authorized by either of them to do so. This contract and specifications take precedence over all previous negotiations and no representations are considered as entering into this contract except such as are contained herein or in the specifications attached hereto.

Canvas covers shall be returned by freight to the first party at South Columbus, Ohio, or paid for in addition to the above contract.

IN WITNESS WHEREOF, The said parties have caused these presents to be executed and the second party has caused its corporate seal to be hereunto affixed, and attested by its authorized representatives, on this 22nd day of July, 1921.

Minutes Meeting Aug. 12, 1921 read and approved.

Following Contract to Right of Way for Sewerage between City of Orangeburg and L.L. Hamilton was taken up and duly passed by following vote:- Yes The Mayor, Councilman Watson.

State of South Carolina

County of Orangeburg.

Memorandum of agreement entered into this ninth day of August, 1921, between the City of Orangeburg S.C. as party of the first part; and L.L. Hamilton of Orangeburg S.C. as party of the second Part.

WITNESSETH: That in consideration of the covenants hereinafter expressed the said parties agree in manner and form as follows:-

1st. First party agrees to construct two ditches over ~~the~~ and on the lands of the second party; one ditch to extend from a Culvert on Russel Street; another from a storm sewer at the foot of Windsor Street, both of which ditches shall extend Southward to the brick Culvert of the Atlantic Coast Line Railroad Company, it being the purpose of these ditches to take care of a portion of the storm waters of the City of Orangeburg. These ditches to be completed within twelve months from this date.

2nd. Second party agrees to give the first party the right of Way through his lands for a sanitary Sewer to extend through the lands of W.C. Wolfe, near Russel Street, Southward to the main Sewer on the Atlantic Coast Line Railway Company right of way.

3rd. It is agreed and understood that the land or lands referred to herein are those described in a certain deed or deeds dated Jan. 20, 1921 and Nov. 6, 1920, conveying the said land or lands from Enterprise Land Company and A.C. Dibble to second party, as recorded in deed book 72, page 311 and 354 in the office of the Clerk of Court of County of Orangeburg.

4th. First party agrees to install sewer in such manner that the top of the sewer pipe shall be at least two feet under the ground at every point; to construct ditches and to install sewer in such manner as to do the least possible damage to large trees; to level over the ground over sewer pipe leaving the ground in the same condition as far as possible as it was before the installation of the sewer; to hold second party blameless forever for any damages that might result to stock or cattle, or crops or gardens; to not interfere with traffic or hauling that is being done through the swamp; to leave fences intact same as they were before installation; to leave undisturbed certain ditches that now drain the water

Akin
 Dr. ~~Risser~~ addressed meeting at some length stating that U.S appropriation for State to used in aid of running expenses of clinic was exhausted as well as State appropriation and all funds available from Sept.1 to Jan 1, 1922 for this Clinic was an appropriation of \$166,66 per month from County and \$75.00 per month from City, that this amount was insufficient as expenses approximated \$619.50 per month and if some action was not taken to supply deficiency Clinic would have to suspend operation. That Orangeburg Clinic was handling more patients than any of the nine clinics in the State and was doing the most effective work. He furnished financial statement in support of his statements and was listened to with interest by an appreciative audience. After discussing the situation fully the County delegation withdrew from conference and in a short time returned . Senator Hutson for delegation pledged thier share of additional appropriation \$750.00 to supply deficit.

City Council passed following resolution.

Resolved by City Council of Orangeburg S.C. in Council assembled that said Council will suppliment amount subscribed by Orangeburg County delegation for the support of Orangeburg Venereal Clinic to January 1, 1922 the amount of \$750,00.

" Morgan B.Spear. Genl Manager
Charlotte N.C.

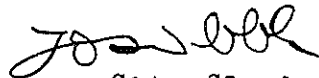

The Mayor stated object of meeting and that Council were ready to receive any statement that The Telephone Co might wish to make by their representatives present.

Mr.Spear then addressed Council first stating that he regretted very mush the recent complaints of poor service that had been made by Mayor Livingston, former Mayor, and that he had made changes in personel of operatives and method of conducting night service that he felt assured that service will be improved and hoped that hereafter there would be no cause of complaint from the Public.

He then appealed to Council to postpone enforcing Ordinance requiring removal of their line on Broughton Street, as Company at this time ~~was~~ not financially able to expend amount required to dismantle this line, cost being around \$19.000 Dollars .That the line was practically new and if taken down would be of no value ,only as junk, to his company. Council gave attention to all statements made by Mr Spears and also Mr,Thomas asking questions and receiving answers during the discussion.

After due consideration the Mayor advised Mr.Speir that Council decided that Telephone Company would have to comply with Ordinance and remove line, that City had taken down all electric poles and removed all obstructions on streets covered by "White Way" and that Telephone Company would have to do the same.

Conference then adjourned.

County of Orangeburg.

WHEREAS, the City of Orangeburg desires to widen a portion of College Avenue, extending along the east side of the property of the Southern Railway Company north of Russell Street at Orangeburg, South Carolina, and also to make certain improvements on Amelia Street opposite the property of the Railway Company; and

WHEREAS, the City requires, for the purpose of widening said College Avenue, a strip of land belonging to the Railway Company, and claims that a spur track of the Railway Company and the trestle upon which a portion of the same is constructed are located within the area of the said Amelia Street in such manner as to interfere with the proposed improvements of said Amelia Street; and

WHEREAS, it is necessary for the mutual benefit and advantage of both the City of Orangeburg and of the said Railway Company to enter into an agreement in writing between the said Southern Railway Company and the said City of Orangeburg,

IT IS THEREFORE RESOLVED by the City Council of the City of Orangeburg, S. C., that R. H. Jennings, its Mayor, be and hereby is authorized, empowered and directed to execute the said agreement on behalf of and for the said City of Orangeburg, which said agreement has been submitted to the City Council of the City of Orangeburg for its approval and execution.
