Minutes special meeting of City Council held on Monday Sept. 22 1930.

Hon. R.H. Jennings  
E.A. Fairey  
J.M. Brailsford

The Mayor stated that special meeting was called by him for purpose of submitting to Council letter received by him this morning Sept. 22nd from Reliance Bluebird Corporation for their consideration.

City Clerk was instructed to read this letter which read as follows:-

Hon. R.H. Jennings, Sr.  
Mayor,  
Orangeburg S.C.  
Dear Mr. Jennings.

As citizens and Tax Payers of the City of Orangeburg the stockholders of the Reliance-Bluebird Corporation wish to enter an emphatic protest against the partial attitude of the city in its policy concerning the new theater. At this time we will not go over past history and repeat the various occasions upon which the City government has gone out of its way to favor whoever happened to be managing this theater but we wish to direct your attention to a specific situation which you are allowing to continue, which is absolutely unfair to our legitimate business interests and entirely improper as a method of using public property.

We have inquired from City Clerk T.O.S. Dibble as to the payment of rent for the use of this public property and he informed us Wednesday that rent <sup>was</sup> now owing and past due from March 1st, which means that there is more than \$1,400.00 of rent unpaid. The effect of this is to give a business which is in competition to ours an indirect subsidy from city treasury, and we do not see how it can appeal to your conception of fairness or the proper care of city's interest.

We do not know if this letter will have any weight with you or not. At a previous time when rent had been uncollected for a little more than three months we discussed this matter verbally with two members of the Council and both agreed with us that it was unfair for the city to furnish a business competing with other citizens a theater without requiring that the agreed rent be paid. We present this matter to you, asking for no favors for our theaters but earnestly requesting that the city discontinue its policy of favoritism and discrimination in order to help keep a competing business open. We feel certain that if this involved a business in which you were interested you would readily see the injustice of the City's furnishing such a business with an excellent place of business and allowing it to be used without requiring the rent to be paid.

We feel satisfied that the great majority of the people would be shocked to know that there is over \$1,400.00 rent in arrears for this municipal theater and we believe that they would agree also with us that it is unjust favoritism to a business in competition with that of other citizens. We would appreciate very

much a reply from you as to your attitude in this matter.

Yours very truly

Signed Reliance-Bluebird Corp.

Gentlemen:-

At a special meeting of City Council held on Monday morning Sept 22nd your letters relative to the leasing of the Carolinian Theater was carefully discussed and in compliance with your request we take pleasure in replying to same, giving briefly our views relative thereto.

The matter of arrears in rent on the part of the City's tenant to which you direct our especial attention has given us very great concern and in arriving at a just policy in regard to same, it has not only been necessary that we should view this matter from the angle as expressed in your letter but it has become our further and paramount duty to protect the city's interest as best we can and in the same time endeavor to pursue a just and fair policy towards the lessee.

This has been our controlling object and we are glad for your information to be able to say that the Carolinian tenant is at present taking care of the rent by paying \$100.00 per week. you appear to be in error in assuming that the amount due is in excess of \$1,400.00, it is considerably less than this amount and is now being rapidly reduced.

Any extension of time by the city to its tenant has been done for the sole purpose of assisting said tenant only to the extent that he might thereby be enabled to pay the city its rent, beyond this we have no interest whatever in the theater management.

Very truly yours,

Signed.
