In Re: Application of Dukes Undertaking Company for  
permission to establish a Funeral Home at  
#158 East Russell Street.

In connection with the above application, the undersigned wishes to place on the record that he was surprised and amazed at the affidavit of J. Stokes Salley, Esq., which was read at the hearing by your body on September 29th.

The contents of this affidavit was a shock. The writer realizes, after due reflection, that his proper step at that time would have been a request to the City Council, asking permission to withdraw the application filed with it. He regrets that this was not done at that time and takes this opportunity of requesting that his application be considered withdrawn and that the exhibits filed by him in support of said application be returned to him.

Thanking the City Council for the courtesies extended during the said hearing, he hopes that his present request will be promptly granted.

(Signed)

  
Secretary-Treasurer,  
Dukes Undertaking Company.

In connection with the above application, the undersigned wishes the City Council to grant the above request to have the application returned and that said application be considered withdrawn and that the exhibits filed in support of said application be returned.
