## CITY OF ORANGEBURG, S. C.

July 22, 1938.

Minutes of regular meeting of City Council held July 22, 1938.

Present, the Mayor	Hon. J. M. Brailsford
Councilman	A. C. Walker
Councilman	H. H. Wannamaker

Minutes of regular meeting held July 8, 1938, read and approved.

The City Clerk and Treasurer presented to the City Council a petition, signed by F. W. Herlihy and others requesting the City Council to order an election, under the provisions of the laws of South Carolina providing the initiative, on a proposed ordinance, relating to labor and the operation of businesses within the City of Orangeburg on the Sabbath day.

The City Clerk and Treasurer reported that he had not been able to accurately check the signatures on the said petition because the said signatures did not contain the places of residence or the occupations of those signing the petition presented.

The City Council inspected and examined the petition presented. The City Attorney was asked whether the said petition complied with the requirements of the statutes in regard to the initiative and to advise council as to its duty in the matter.

The City Attorney stated that the statutes required that signatures to a petition seeking to invoke the initiative should include the places of residence and occupations of those signing the petition and that the failure of the signatures to contain these facts rendered the signatures defective, invalid and of no legal significance. The City Attorney further advised the Council that any signature to a petition to invoke the initiative, which failed to show the said facts, should not be counted.

The examination of the petition by members of the Council revealed that no signature to the said petition contained information as to the places of residence and occupations of the signer. It thus appeared that all of the signatures to the said petition failed to meet the requirements of the statute and that the said petition did not comply with the provisions of the statutes. The petition therefore was insufficient to invoke the initiative and no legal duty involved upon the Council to order an election on the proposed ordinance.

The petition was therefore received as information.

Application from W. A. H. Kelly to operate a wood yard at the corner of Riggs Street and Lindale Street was granted by the following vote, Yea, the Mayor, Councilmen Walker and Wannamaker.
