For your information the 18 inch sewer running through the Adden land laid on a one-tenth (0.10) per cent grade. Base on "Kutters Formula" the volume of discharge of 18 inch pipe running full is 3 cu. ft. per second or 22.50 gallons per second, of 81000 gal. per hour or 1.944.000 gallons in 24 hours.

While a 12 inch pipe laid on a five tenths (0.50%) grade which is the grade at Facking House Plant will carry 2.70 cu. ft. per second or 20.325 gallons per second, or 72900 gallons per hour, or 1.749.600 gallons in the 24 hours.

Therefore to increase the Plant to a double and more capacity the sewer on the flat grade in the Adden land will not be large enough for this plant and as the properties of Adden's and Murray's will be developed and other developments along the line of the sewer, it can be easily seen that the sewer will not serve the community within the city limits, if the plant is allowed to overtax the capacity of the sewer.

It should be borne in mind by all concerned that the raw sewerage of Orangeburg discharges in the North Edisto River and will require to be treated at a sewerage disposal plant, which will cost the tax payers a large sum of money, and a continuous maintenance cost.

I further call your attention of letter dated June 23, 1939 from Mr. B. P. Rice, State Sanitary Engineer for State Board of Health.

Quote-"I further wish to call your attention to the fact, that it is very essential that your city council pass such ordinances as will require any industrial waste to be treated by the industry prior to discharge into city sewer." (Signed) B. P. Rice, State Sanitary Engineer.

For the information that Mr. Strange asked me to furnish there would be 2296 feet of sewer to build with accessories. Material cost only:

2298 ft. of 18" #1 double strength T.C. pipe @ 0.986	\$2263.86
8 Manholes complete @	50.00 400.00
100 bags of cement @ /75	75.00
5 cu. yds. sand @ 1.25	6.25
	<hr/> 2745.11

Labor unknown.

If this sewer should be constructed it should be placed from five to ten feet south of present 12 inch line, and rights of way be obtained from Fair Association, Lexington Lumber Co., and Southern Ry, and Sulton Bros.

All of the above is for your information and consideration.

Respectfully submitted,

EDWARD HAWES,  
CITY ENGINEERCOMMISSION FORM OF GOVERNMENT  
ENGINEERING DEPARTMENT

ORANGEBURG, S. C. April 26, 1944

To The City Council  
City of Orangeburg, S. C.

Gentlemen:

In the years 1938 and 1939 an eighteen (18) inch sanitary sewer was built by W.P.A. Forces, sponsored by City of Orangeburg. The said sewer was connected into the A.C.L. 24" sewerage lying on the North side of A.C.L.R.R. and being 2734 feet East of outfall at North Edisto River.

This 18 inch sanitary sewer being 5973 feet in length starting at A.C.L. 24 inch trunk line and running in a southeasterly direction tunneling under the A.C.L.R.R., then open cut through land of Adden Bros., W. M. Murray Estate, crossing South Broughton Street, receiving the South Broughton St. sanitary sewer, thence through land of Jas. M. Albergotti, Peoples Baking Co. land of R. R. Ayers, tunneling under Southern Ry. thence open cut across South Boulevard, land of Orangeburg County Fair Association to a certain point in Fair Association's land a distance of 5973 feet in length from A.C.L. trunk line to this point or a junction manhole. A twelve (12) inch sewer was laid northerly through the Fair Grounds to receive the sewerage from Santee Mill Village and other industries on the line of sewer.

Also, at this junction manhole the old twelve (12) inch sewer from Packing House was taped into this 18" sewer, which is carrying the waste from year 1939 to date.

Early in March 1944 Mr. T. G. Strange, Manager for Kingan & Co. approached me and informed me the Company was planning on doubling the capacity of the Plant and to give him the figures and estimate of cost of 18 inch sewer from city sewer in Fair Gounds Station 59 + 73 to Packing House Plant.

The amount of sewerage required to be taken care of from Packing House is not available. This is a vital point to know as there is no meter measuring the amount of water used at the plant.

In order to ascertain if the 18 inch sewer above described would take the proposed double capacity of the plant, it was necessary to get the depth of flow on the very flat line running through Adden Bros. land for a distance of 1781 feet from A.C.L. trunk line. This sewer due to low level ground is laid on a one-tenth (0.10) per cent gradient of one and one-fourth inches fall per 100 feet.

I have taken readings of depth of flow at manholes in the Adden land at the present peak load from Packing House and find the 18 inch pipe running exactly nine (9) inches in depth, or one-half the capacity of the sewer.

R E S O L U T I O N

WHEREAS, Mrs. F. A. Adden has generously presented the City of Orangeburg with a tract of land, consisting of two and nine-tenths (2.9) acres, bounded by Green, Adden and North Middleton Streets, for use as a playground or park, and

WHEREAS, the City of Orangeburg, through its City Council, wishes to make a permanent expression of its appreciation and gratitude for the said gift,

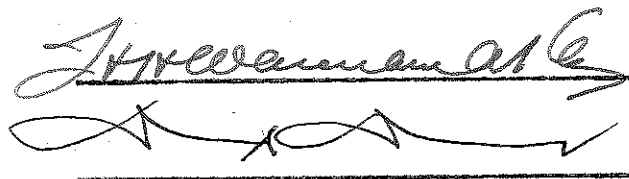

NOW, BE IT RESOLVED by the Mayor and Councilmen of the City of Orangeburg that the said gift be accepted by the said City for use in accordance with the terms of the deed of conveyance and that the City Council, acting for the citizens of the City of Orangeburg, hereby expresses its appreciation of the generous gift of Mrs. F. A. Adden and formally records its thanks to her for the said tract of land.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ORANGEBURG IN COUNCIL ASSEMBLED:

Section 1.

(1). During the past several years, the City of Orangeburg, South Carolina, incurred a floating indebtedness, amounting to One Hundred Eighty-Four Thousand (\$184,000.00) Dollars as of March 24th, 1942, and consisting of the following items:

(a). The sum of \$69,000.00 borrowed during the year 1927, and evidenced by a note (or notes) dated December 1, 1941, maturing June 1, 1942; said indebtedness having been incurred to obtain funds to purchase from the County of Orangeburg the site of the old Court House, as an improvement and extension of the streets in the City of Orangeburg;

(b). The sum of \$60,000.00 borrowed during the year 1941, and evidenced by a note (or notes) dated January 17, 1942, maturing July 17, 1942; said indebtedness having been incurred for improvements to the Waterworks and Electric Light Plants of said City;

(c). The sum of \$40,000.00 borrowed during the year 1941, and evidenced by a note (or notes) dated January 17, 1942, maturing July 17, 1942; said indebtedness having been incurred in connection with the purchase of a site for an airport; and,

(d). The sum of \$15,000.00 borrowed during the year 1938, and evidenced by a note (or notes) dated December 1, 1941, maturing June 1, 1942; said indebtedness having been incurred for public improvements consisting of sidewalk and street construction and extension of water works and sewerage system, in and around the Tri-County Hospital, located in the City of Orangeburg.

Each note above enumerated unconditionally binds the City of Orangeburg to its payment and pledges its faith and credit therefor. The requirements of the Constitution of the State of South Carolina relating to the issuance of bonded indebtedness were not observed, but the proceeds of each loan were applied to matters germane to the corporate functions of the municipality, and the City of Orangeburg was enriched to the extent of the total of said indebtedness.

(2). By an Act entitled, "AN ACT TO VALIDATE CERTAIN INDEBTEDNESS OF THE CITY OF ORANGEBURG AND TO AUTHORIZE ITS RETIREMENT BY THE ISSUANCE OF FUNDING BONDS", Approved March 24th, 1942, the General Assembly of the State of South Carolina found that the facts recited immediately above were correct, and it validated such indebtedness to the extent of its legislative power, and empowered the City of Orangeburg to issue General Obligation Funding Bonds to such extent as might be necessary to retire said indebtedness, if a full compliance were effected with all Constitutional and general Statutory provisions, dealing with the issuance of bonds by municipalities.

(3). Thereafter, Petitions were circulated among the freeholders of the City of Orangeburg, petitioning the City Council to order an election for the purpose of submitting to the qualified electors of said City the question whether said City Council of said City of Orangeburg should be empowered to issue not exceeding Two Hundred Ten Thousand (\$210,000.00) Dollars of General Obligation Bonds of said City, either as a single issue or from time to time as several separate issues, the proceeds to be used for all or any of the following purposes, to wit:

(a). To retire an indebtedness, approximating \$69,000.00, and now evidenced by a note or notes of the City of Orangeburg, representing a loan originally made to obtain funds to purchase from the County of Orangeburg the site of the old Court House, as an improvement and extensions of the streets in the City of Orangeburg;

(b). To retire an indebtedness, approximating \$60,000.00, and now evidenced by a note or notes of the City of Orangeburg, representing a loan originally made to obtain funds for improvements to the Waterworks and Electric Light Plants of the City of Orangeburg;

These Petitions were formally presented to City Council at its meeting held May 3rd, 1944. They were duly investigated, and it was found that they contained the authentic signatures of more than a majority of the freeholders of said City.

(4). In pursuance of the aforesaid Petitions, a Resolution was adopted by the City Council on May 3rd, 1944, ordering an election to be held in said City on June 6th, 1944, to submit to the qualified electors thereof the question of the issuance of bonds sought thereby, as set forth in sub-section (3) hereof.

(5). The said election was duly ordered, conducted and held, there being thirty-five (35) votes cast thereat, of which thirty-four (34) were in favor of the issuance of bonds, and one (1) against the issuance of bonds.

(6). Immediately thereafter, an action was instituted in the Original Jurisdiction of the Supreme Court of South Carolina by a freeholder and taxpayer of the City (said cause being entitled, "James M. Brailsford, Petitioner, against A. C. Walker, Mayor; H. H. Wannamaker and David Doar, composing City Council of the City of Orangeburg, South Carolina, Respondents") challenging the right of City Council of Orangeburg to issue any of the bonds, under authority of the aforesaid election, and seeking to enjoin the issuance thereof. Among the questions raised in said proceeding was the proper construction of the special amendment to Section 7, Article VIII, and Section 5, Article X, of the Constitution, dealing with the purposes for which the City of

Orangeburg might issue bonds, and the effect of an amendment to said Special Constitutional provision, ratified at the Special Session of the General Assembly of the State of South Carolina convened during April, 1944. Subsequently, on September 7th, 1944, the Supreme Court rendered an Opinion and Order, refusing to enjoin the issuance of such bonds by City Council, and affirming its right to proceed as originally contemplated.

Section 2.

(1). The City Council of the City of Orangeburg finds, after due and careful investigation, that each fact recited in Section 1 hereof is in all respects true and correct.

(2). The City Council further finds that there is due and owing on the items of indebtedness, enumerated in subsection (1) of Section 1, the following amounts of principal:

(a). On the note (or notes) dated December 1, 1941, maturing June 1, 1942, for the sum of \$69,000.00, the sum of - - - - - \$69,000.00

(b). On the note (or notes) dated January 17, 1942, maturing July 17, 1942, for the sum of \$60,000.00, the sum of - - - - - 55,000.00

(c). On the note (or notes) dated January 17, 1942, maturing July 17, 1942, for the sum of \$40,000.00, the sum of - - - - - 40,000.00,  
and,

(d). On the note (or notes) dated December 1, 1941, maturing June 1, 1942, for the sum of \$15,000.00, the sum of - - - - - 15,000.00

(3). The City Council further finds that it is to the best interest of the fiscal affairs of said City to fund the aforesaid indebtedness by the issuance of One Hundred Seventy-Nine Thousand (\$179,000.00) Dollars of Bonds, but by so doing it does not intend to exhaust the authorizations granted to it by the Petitions and election hereinbefore recited.

Section 3.

The City Council finds, and hereby formally declares that the election held in the City of Orangeburg on June 6th, 1944, on the question of the issuance of bonds by said City, in the amount and for the purposes set out in sub-section (3) of Section 1 hereof, resulted in favor of the issuance thereof by a vote of thirty-four (34) to one (1).

Bonds executed in this fashion may be validly delivered notwithstanding changes in the personnel of either office subsequent to their execution.

Section 6.

The said bonds shall be exempted from all State, County, School or Municipal taxes of the State of South Carolina.

Section 7.

The full faith, credit and taxing power of the City of Orangeburg are hereby irrevocably pledged for the punctual payment of the principal of and interest on such bonds, as such principal and interest shall become due, and for the prompt payment thereof, there shall be annually levied and collected, respectively, a tax ad valorem upon all taxable property in said City sufficient to pay the principal of and interest on said bonds as they respectively mature, and to create a Sinking Fund in aid of the retirement and payment of said bonds, which said tax shall be sufficient for said purpose and be in addition to all other taxes authorized by law to be levied in said City.

Section 8.

For the redemption of said bonds at maturity, and with interest thereon as the same become due and payable, a Sinking Fund is hereby created, which shall be maintained from the tax levy herein ordered so that there shall be available at all times a sum sufficient to redeem and pay at their respective maturities all of said bonds.

Section 9.

It is hereby declared and provided that in case of the neglect or failure of the City Council of the City of Orangeburg to levy the taxes required by this Ordinance to be levied for the payment of the principal of and interest on said bonds, then the holder or holders of any of said bonds or coupons may enforce the same by mandamus in any of the Courts of the State, as provided by Section 7322, of the Civil Code of South Carolina for 1942, PROVIDED, HOWEVER, that these provisions shall not operate to restrict in any way the rights or remedies of the holders of said bonds or coupons.

Section 10.
