The ballot box properly prepared with ballots and instructions was delivered by the Clerk of the County Commissioners of Election at the designated voting place in the territory before eight o'clock in the morning of the election, who at about two o'clock in the afternoon returned to the voting place, found no managers there, the ballot box where he had left it, that it had not been used, that it was unattended, and no one about the place, whereupon he brought it back to his office in the City of Orangeburg.

A majority of the votes cast in this Special Election at the voting precincts in the City of Orangeburg, South Carolina, were in favor of the annexation of AREA NO. 2, but there was no election in the voting precinct in the territory designated as AREA NO. 2.

We the undersigned Commissioners of Election for Orangeburg County, South Carolina, certify that the foregoing report is the result of a Special Election conducted by us on a question of annexation for the City of Orangeburg, South Carolina, on November 13, 1951, and that it is true and correct in all respects.

WHEREAS The South Carolina State Highway Department in conjunction with the Bureau of Public Roads and the City of Orangeburg, S. C., proposes to relocate, construct, or improve, under a Federal Aid Urban Improvement program, certain sections of U. S. Route 301 through the City, as it is considered impracticable to widen and improve the streets along the present routing of U. S. AND WHEREAS it is incumbent upon the City of Orangeburg to bear its proportionate one fourth (1/4) share of all costs for rights of way on all properties lying within the city limits, including cost of lands, special damages, tenant and/or lessee rights, legal and appraisal fees, if any, and other incidental expenses incurred in connection with acquiring said rights of way; but exclusive of the cost of removing those obstructions from the right of way shown on the plans for this docket to be covered as items in the contract,

AND WHEREAS the City of Orangeburg shall be solely responsible for moving or adjusting, or causing to be moved or adjusted, all fire hydrants, sewer, water and gas lines, telephone, telegraph and electric power poles, and/or all other public utilities and appurtenances thereto that may interfere with the construction of this project, and to secure rights of way for all drainage ditches and pipe lines necessary to conform to the plans for the proposed improvements,

AND WHEREAS, all rights of way cannot be acquired by negotiation, and condemnation may be necessary in securing the necessary rights of way for the proposed work.

NOW, THEREFORE, BE IT RESOLVED that the City of Orangeburg, S. C., acting through its mayor and councilmen, accepts the terms of this agreement and hereby requests the South Carolina State Highway Department to condemn, in the name of the State Highway Department and The City of Orangeburg, S.
