Mr. Robert T. Stevenson, City Administrator,
222 Middleton, S.E.,
Orangeburg, S. C. 29115

Dear Mr. Stevenson,

At a call meeting of our executive board this afternoon, approval was given for the erection of a five foot, industrial type chain link fence from the south west corner of the Salley Archives building on the corner of Bull and Middleton Streets, along Bull Street and joining the existing fence in rear of the old Armory building, now our city recreational building. This action was taken to protect the Pioneer Cemetery and other properties of the Society from intruders.

With the approval of this work, the board directed that we write the city asking if help could be given for the erection of said fence. The board felt that the Pioneer Cemetery, while in the care of our Society, is actually the public's, and would therefore merit this help.

Bids received thus far indicate that materials will cost in the proximity of \$420.00. The installation cost appears to be in the neighborhood of \$105.00. The Society is prepared to pay for the materials.

Your early consideration will be appreciated.

Yours truly,
