THEREFORE, BE IT RESOLVED by the Mayor and Councilmen of the City of Orangeburg, in council assembled, this twentieth day of February 1979:

That the Rates of the Department of Public Utilities of the City of Orangeburg pertaining to Electricity, as heretofore adopted, be, and the same are hereby repealed, and in lieu thereof, the Electric Rates of the Department of Public Utilities of the City of Orangeburg, hereto attached, be, and they are hereby, declared effective and in full force on March 1, 1979 billings.

RECREATION STATEMENT

On April 3, 1979, the City of Orangeburg instituted a per person per event fee for out-of-city residents to participate in the City's organized recreation activities. This fee was instituted to help defray the ever increasing cost of providing organized programs.

Also, on April 3, 1979, the Orangeburg County Council offered to pay the out-of-city fee for participants at the rate of \$15 per participant per year. While this offer was appreciated, it does not generate the funds needed to compensate for use of the organized programs by out-of-city residents. Experience after one year under this type of agreement has proven that the per person per year fee is inadequate.

City Council met at a public meeting on April 12, 1979, and discussed the proposal by the County. It was decided at that time to offer the County Council the following agreement: That the \$15 per person fee offered by the County could be used to offset the cost of participation for an out-of-city resident for the first time that a resident uses an organized program. Each use of another organized program would require an additional \$15 fee to be paid by the participant. For instance, if an out-of-city resident participated in three sports, the City would bill the County for the first sport registration fee. The participant would be required to pay the fee for the two additional sports, and there would be no family rate for participation.

RECREATION STATEMENT
PAGE 2

An additional decision made was to exempt all participants nine years old and younger for the out-of-city fee for organized activities.

The City Council would be most happy to have representatives of the City meet with County representatives to continue an effort started three years ago to resolve the recreation question in Orangeburg County. Certainly with good faith, discussion, and a concentrated and concerted effort, the governing bodies of the County and municipalities involved can prepare a logical course for the future of recreation in our County and communities.

GRIEVANCE PROCEDURE

This procedure is adopted in accordance with the County and Municipal Employees Grievance Procedure Act, Section 8-17-110, et seq, Code of Laws of South Carolina, 1976. It is applicable only to the following employees:

Those employed in Department or Divisions administered by the City Administrator, but excluding the heads of such Departments or Divisions, and excluding the City Administrator. The wages, hours, working conditions, and continued employment of employees excluded from this grievance procedure shall be as determined by City Council, using whatever procedure it deems best.

A grievance is defined as any complaint by an employee that he has been treated unfairly, unlawfully, or in violation of his rights under City policies, with regard to any matter pertaining to his employment by the City of Orangeburg. This definition includes, but is not limited to, discharge, suspension, involuntary transfer, promotion, and demotion.

An employee who feels that he has a grievance must follow the following procedure:

Step 1. He must discuss the grievance with his immediate supervisor. If his supervisor is unable or unwilling to adjust the grievance to the satisfaction of the employee, the employee must take Step 2.

Step 2. The employee must follow the chain of command in his Department, appealing to each successive level of supervision. All Step 1 and Step 2 appeals may be oral. At each level each supervisor shall have one work-day (Saturdays and Sundays excluded) to render a decision. If no decision is made within this time, the grievance shall be considered denied. If a supervisor at a particular level is unavailable to consider the grievance, it shall be considered denied and the employee shall appeal to the next level of supervision.

Step 3. If the head of the Department or Division in

which the employee is employed denies the grievance, this decision shall be final as to any grievance brought by a probationary employee. A new employee shall be considered probationary until his probationary evaluation is completed and approved by the City Administrator.

Other employees may appeal to the Employee Grievance Committee the denial of their grievances by Department Heads by filing a written request for appeal with the City Administrator. This MUST be done within fourteen (14) calendar days of the time at which the facts on which the grievance is based became available to the employee. The City Administrator's staff will assist in preparing the appeal, if requested.

The Employee Grievance Committee

City Council shall appoint a committee composed of five (5) employees to serve for terms of three (3) years, except that the members appointed initially shall be appointed so that their terms will be staggered, and approximately one-third (1/3) of the terms shall expire each year. A member shall continue to serve after the expiration of his term until a successor is appointed. Any interim appointment to fill a vacancy for any cause prior to the completion of a member's term shall be for the unexpired term. Any member may be reappointed for succeeding terms at the discretion of the City Council. Members employed in the same Department or Division as the grieving employee and members having formed an opinion on the issues prior to the hearing, shall not participate in that employee's hearing.

City Council shall appoint the first Chairman and thereafter the Committee shall annually select a successor from among its members.

The chairman shall serve as the presiding officer at all hearings which he attends, but may designate some other member to serve as presiding officer in his absence.

A quorum shall consist of at least four (4) members, and no hearings may be held without a quorum.

The presiding officer will have control of the proceedings. He shall take whatever action is necessary to insure an equitable, orderly, and expeditious hearing. Parties shall abide by his decisions, except when a Committee member objects to a decision to accept or reject evidence, in which case the majority vote of the Committee will govern.

The Committee shall have the authority to call for files, records, and papers which are pertinent to any investigation and which are subject to the control of the City Administrator; to determine the order of the testimony and the appearance of witnesses; to call additional witnesses; and to secure the services of a recording secretary in its discretion. All proceedings shall be tape recorded. All witnesses shall testify under oath.

All hearings shall be held in executive session. The tape recording and the minutes of all hearings shall be subject to the control and disposition of City Council.

Except in discharge grievances, neither the grieving employee nor the Department may be assisted by non-City employee advisers or by attorneys during the hearing itself. However, the Committee shall have an attorney available to it at any and all times it considers necessary.

Except in discharge cases, the grieving employee and the Department shall each be limited to one (1) hour of direct examination, one-half ($\frac{1}{2}$) hour of cross-examination, and one-quarter ($\frac{1}{4}$) hour of oral argument. The Chairman shall appoint a time keeper.

In all non-disciplinary cases the employee shall have the burden of first establishing that a right existed and that it was denied him unfairly, illegally, or in violation of a City policy.

In disciplinary cases the employee must receive in reasonable detail written notice of the nature of the acts or omissions which are the basis for the disciplinary action. This notice may be amended at any time twenty-four (24) hours or more before the commencement of the hearing. The Department shall have the burden of demonstrating that the disciplinary action is for the good of the City. The Department shall present its case first, but may call the employee as a witness. The Committee (and City Council as set forth below) may base its findings and recommendations (and City Council its decision) on any additional or different grounds developed from the employee's own testimony or that of witnesses called by him.

In all discharge cases the employee shall also have the right to representation by counsel of his own choosing and at his own expense, the right to confront his accuser(s), and the right of cross-examination.

The Committee shall, within twenty (20) days after hearing an appeal, make its findings and recommendation and report such findings and recommendation to City Council. If City Council approves, the recommendation of the Grievance Committee shall be its decision and copies of the decision

shall be transmitted by the Committee to the employee and to the head of the particular Department involved. If however, City Council rejects the decision of the Committee, it shall make its own decision without further hearing, and that decision shall be final. Copies of its decision shall be transmitted to the employee and to the head of the particular Department involved.

The Grievance Procedure adopted by resolution January 2, 1979, shall be available to persons having unresolved grievances pending as of that date. Any policies or resolutions which may have been in effect prior to January 2, 1979, and which are inconsistent with the Grievance Procedure adopted on that date, are repealed. The initial appointments to the Employee Grievance Committee, and their terms of office are as follows:

Pat Bair, Recreation Department	3 years
Michael Campbell, Clerk-Treasurer	3 years
Harold Carter, Police Department	2 years
Melvin Kennedy, Sanitation Department	2 years
Richard Stroman, Fire Department	1 year

Mr. Campbell is appointed to serve as chairman for the first year.
