If there be any default in the payment of principal or interest of any of said bonds, then, upon the institution of suit by any holder of said bonds or of any of the coupons, any court having jurisdiction of the action may appoint a receiver to administer said system on behalf of said City with the power to charge and collect rates sufficient to provide for the payment of the bonds or obligations outstanding against said Electric Light Plant and for the payment of the operating expenses and to apply the income and revenues in conformity with this ordinance.

Section 9. It is covenanted and agreed by said City with the holder or holders of the bonds herein authorized to be issued that it will perform all duties with reference to the said Water Works System required by the constitution and the statutes of South Carolina, and the said City hereby irrevocably covenants, binds, and obligates itself not to pledge, mortgage or otherwise encumber the Orangeburg Water Works System, or any part thereof, or any revenue therefrom except in the manner set forth in Section 11 hereof, and will not sell, lease or dispose of any substantial portion of said Water Works System, until all the bonds issued hereunder shall be paid in full, both principal and interest, or unless and until provisions shall have been made for the payment of said bonds and the interest thereon in full, and said City further covenants and agrees with the holder, or holders, of said bonds to maintain in good condition and to operate said Water Works System and to charge and collect such rates and charges for the facilities and services render-

ed by said Water Works System, within the limits prescribed by law, so that the income and revenues of the Water Works System will be sufficient at all times to meet the requirements as set out in Section 4 hereof.

Section 10. For the further protection of the holders of the bonds herein authorized to be issued and the coupons thereto attached, the City of Orangeburg agrees that, if, in any year while the bonds herein issued are outstanding, the revenues of its Water Works System shall be insufficient to provide the payments set forth in this ordinance, that it will pledge, to an extent necessary to make up such deficiency, any surplus funds of the Electric Light Plant owned by the City of Orangeburg and not required to take care of obligations of the said Electric Light Plant created on the same date as these presents; and, for the further protection of the holders of the bonds herein authorized to be issued and the coupons thereto attached, a statutory lien upon said Water Works System is hereby granted and created as provided in Section 8 of said Act No. 299, as amended, which statutory lien is hereby recognized as valid and binding upon said City and said Water Works System, and shall take effect immediately upon the delivery of any bond authorized to be issued under the provisions of this ordinance, and any holder of said bonds or any of the coupons may, either in law or in equity by suit, action, mandamus or other proceeding, enforce and compel the performance of all duties required by said Act as amended, including the making and collecting of sufficient rates, segregating of the income and revenues and the application thereof.

If there be any default in the payment of principal or interest of any of said bonds, then, upon the institution of suit by any holder of said bonds or of any of the coupons, any court having jurisdiction of the action may appoint a receiver to administer said system on behalf of said City with the power to charge and collect rates sufficient to provide for the payment of the bonds or obligations outstanding against said Water Works System and for the payment of the operating expenses and to apply the income and revenues in conformity with this ordinance.

Section 11. While any of the bonds herein authorized remain outstanding, said City shall not issue any additional bonds payable from the revenues of said Water Works System, unless the lien of such bonds on the revenues of said Water Works System is made junior and subordinate in all respects to the lien of the bonds herein authorized.

Section 12. So long as any of said bonds are outstanding, the said City shall:

- (a) Maintain insurance for the benefit of the holders of the bonds herein authorized of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business, and to pay the cost of such insurance from the Operation and Maintenance Fund hereinbefore described;
- (b) Keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the said Water Works System. Not later than three months after the close of any fiscal year, the said City shall cause to be prepared a balance sheet, pursuant to the provisions of Section 30 of said Act No. 299, as amended, which shall be open to examination and inspection as provided in the said section.

Section 13. The officers of said City required by this ordinance to execute said bonds are hereby authorized and directed to execute said bonds and the City Clerk and Treasurer of said City is authorized and directed to deliver said bonds to the purchaser, or purchasers, to whom they may be sold from time to time, pursuant to the provisions of said Act No. 299, as amended, upon receiving the purchase price to be paid by said purchaser or purchasers, and to deposit said purchase price in a special account in a bank to be designated by this body. Said deposit shall be secured in the manner provided by Section 15 of said Act No. 299, as amended.

Section 14. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the
