Mr. A. T. Brown, City Engineer  
The City of Orangeburg  
Orangeburg, South Carolina

Dear Mr. Brown:

The writer wishes to express to you his appreciation for the kindnesses extended him on yesterday.

In line with our conversation, we wish to state that we have ample personnel of the proper experience and professional abilities to handle the Sewage Treatment Plant for the City of Orangeburg, and could upon your request furnish you with recommendations.

We would be glad to file an application with the Federal Works Administration, Bureau of Community Facilities, for Advance Planning Funds on this project, which application would include necessary investigations, reports and preliminary sketches and plans, at no expense to the City. If we proceed with this application and our work in connection therewith should be satisfactory, we would expect to be retained as your Engineer for the completed design, plans and specifications. Our charge for the completed plans and specifications would be three per cent (3%) of the estimated cost of construction if the project should be estimated at \$125,000.00 or less. If the cost of the project is estimated to be over \$125,000.00, our fee would be two and one-half per cent ( $2\frac{1}{2}\%$ ) of such estimated cost. The completed plans and specifications as mentioned above would be complete in every detail, including copy of Advertisement for Bids, Proposal, General Conditions, Construction, Specifications and Contract; in other words the plans and specifications would be such that you could, at any time after receiving same, advertise for and receive firm bids on the project.

We would be delighted to meet with you and/or your City Council to discuss this matter in more detail at any time convenient. It is the writer's understanding that City Council will meet at 7:30 P. M., March 8, 1946, and if possible and desirable by the Council we could meet with them at that time.

With kindest personal regards from the writer, we are

Very truly yours,

Application No. S.C. 38-P-238  
Street Improvements  
Orangeburg, South Carolina

Honorable R. H. Jennings, Jr.  
Mayor, City of Orangeburg  
Orangeburg, South Carolina

Dear Mayor Jennings:

We have reviewed the above application for Advance for Plan Preparation for non-Federal Public Works.

The Bureau of Community Facilities is prepared to enter into an agreement with you to advance the amount of \$6,130.00 for this purpose. We are attaching five copies of BCF Form 400, Agreement and Public Voucher. If agreeable please execute all copies of these forms and return them to us at your earliest convenience. They will then be accepted by the Bureau, one copy returned to you, and an initial payment of 50 per cent of the agreed advance sent to you.

Your attention is called to the fact that although the Agreement is to be executed by an authorized official, the certification as to his authority must be signed by some official other than himself.

In order to have a complete record of the advance, it is requested that a copy of any agreement entered into with an architect or engineer for this plan preparation be submitted immediately upon execution.

For your convenience, we are attaching a copy of the regulations of the Bureau of Community Facilities, dated January 1, 1946, governing the advance.

Sincerely yours,

O. T. Ray  
Division Engineer
