A penalty of ten (10%) will be added to all business licenses of any person, firm or corporation having been in business during the past fiscal year and failing to obtain a license before May 5th, 1960. Nothing herein contained shall be construed to relieve any person from the payment of the advalorem tax on property as provided for by ordinance. And the payment of any particular tax hereinafter mentioned shall not relieve the person or corporation paying the same from liability for any other tax specifically imposed for any other business.

If any tax due hereunder shall remain unpaid after the due date, the City License Inspector shall forthwith issue his execution under seal of the City in the usual form for the collection of taxes, and he shall immediately proceed to collect the said tax, together with any penalties and costs due thereon, by distress and sale of the defaulter's property in the same manner as is now provided by law for the collection of other taxes.

PROVIDED, That the City Clerk and Treasurer, in the case of Insurance Company, and others when in his judgement circumstances seem to warrant, may grant an extension of time ( in no case exceeding 75 days) within which to file application and pay the license tax.

SECTION 5 A. For the privilege of maintaining any office or conducting any business within the City it is the intention of this Ordinance that a license shall be required, and if the amount of the license is not specifically provided for herein, then said amount may and shall be fixed by the City Clerk and Treasurer, who shall fix a rate in keeping with the type of trade, business or profession to be licensed: or if no similar type of business or profession is provided for in this Ordinance then the tax shall be fixed by City Council

SECTION 6. Any person or persons, for themselves or as officers of a firm or corporation, exercising or carrying on any trade, business, or profession, or operating any establishment for which a license is required by this Ordinance, without first having registered as herein provided, shall be liable to a fine of not exceeding One Hundred (\$100.00) Dollars or to imprisonment for not more than thirty days.

SECTION 7. Where any person, firm or corporation conducting a business beyond the limits of the City of Orangeburg makes deliveries to or for purchasers within the City (other than those included in interstate commerce provisions) of goods, products or works sold, manufactured or done for a consideration out of the City, shall be charged for business done in the City Limits a license as is charged for the conduct of the same business where located in the City. Provided, however, that no retail merchants shall be charged a business license by the City of Orangeburg who is required to and does pay to another municipality a license fee based upon total deliveries irrespective of the place where such deliveries are made and all of whose business within the City of Orangeburg consists in making deliveries to or for purchasers within the City of Orangeburg. Except that this exemption shall not apply unless such other municipality grants a similar exemption to retail merchants conducting places of business within the City of Orangeburg and making deliveries to or for purchasers within other municipality.

SECTION 8. It shall be the duty of the City License Inspector or other agent of the City to investigate and report to City Clerk and Treasurer all persons doing business without the license herein required.

SECTION 9. License granted under this Ordinance shall not authorize a person, firm, company or corporation mentioned therein to exercise or carry on the trade, business or profession specified in such license, in any other place than that mentioned.

SECTION 10. No preaching, lecturing or speaking or entertainment of any nature will be permitted on the streets or public places of the city unless a written permit for same be obtained from the Mayor.

SECTION 11. Upon the removal of any license from the building or the premises at which the trade, business or profession mentioned in the license was authorized, it may and shall be lawful for the City Clerk by endorsement

upon such a license, to authorize the said licensee removing as aforesaid to any other place to carry on the trade, business or profession specified in such license at the place to which said licensee may have removed.

SECTION 12. Application for transfer of license shall be made in writing to the City Clerk and the transfer of same shall be made subject to the approval of the Mayor on payment of one dollar for each transfer.

Section 13. That all licenses shall be subject to all legal rules, restrictions and regulations in force at the time they are issued or that may hereafter be adopted by the City Council.

SECTION 14. The City Council may revoke any license issued to any person whenever in its judgement the public welfare makes it necessary.

SECTION 15. That whenever in this Ordinance the term dealer or person, firm or corporation is used, the same shall include not only the principal but in his or her or their absence, shall include any agent, clerk or employee, and such agent, clerk or employee shall be subject to the penalties herein imposed, should the said business or profession be carried on without taking out such license in the same manner as if such agent, clerk or employee was the owner or proprietor of said business or profession.

SECTION 16. Any public service driver or drivers, either of a taxicab or automobile plying the streets for hire, who shall be convicted of transporting or having in possession or selling alcoholic liquors, or otherwise violating any of the ordinances of the City relating to intoxicating liquors, or any public service drivers, either of hack, or automobile who shall transport from place to place within the City of Orangeburg any woman or women for immoral purposes, shall have his license to do business in said City immediately revoked by the mayor and no new license shall be granted to him during the calendar year to engage in the same character or kind of business.

SECTION 17, ITINERATES, For the purpose of this Ordinance any person, firm or corporation that does not list a poll on property for taxation in said City shall be deemed an itinerant, and shall be subject to the license herein provided for itinerants; and if no tax is specified for itinerants, the tax shall be double the rate herein provided.

SECTION 18. No automobile or motor taxi shall be used for transportation of passengers for hire unless and until the owner or driver thereof shall first file with the Clerk and Treasurer of said City a policy of insurance on said automobile or motor taxi against bodily injuries and property damage ordinarily designated as public liability insurance, in such company in such form and in such amounts as the City Council may approve, and when so approved such policy of insurance shall be maintained by said driver or owner during the entire time said automobile or motor taxi shall be used. Upon failure to maintain such insurance, the license of the operator thereof shall be immediately revoked and said automobile or motor taxi shall not hereafter be used for transportation of persons for hire in the said City. Nothing contained in this section shall apply to vehicles operating under a special franchise.

SECTION 19. If any section or portion of a section of the Ordinance or the license tax prescribed herein for any particular trade, business or profession be declared unconstitutional or declared invalid for any reason, such shall not in any way affect or invalidate any other section or portion of section of the ordinance other than that declared invalid.

SECTION 20. All ordinances or parts of ordinances conflicting with the provisions of this ordinance are hereby repealed, and this ordinance shall remain in effect until amended or repealed by the City Council.
