AN ORDINANCE

PROVIDING FOR IMPROVEMENTS AND EXTENSIONS TO
THE COMBINED PUBLIC UTILITY SYSTEM OF THE CITY
OF ORANGEBURG, SOUTH CAROLINA, FOR THE ISSUANCE
AND SALE OF TWO MILLION DOLLARS (\$2,000,000)
COMBINED PUBLIC UTILITY SYSTEM REVENUE BONDS,
SERIES OF 1967, OF THE CITY OF ORANGEBURG, AND
OTHER MATTERS RELATING THERETO.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
ORANGEBURG, SOUTH CAROLINA, IN COUNCIL ASSEMBLED:

ARTICLE I

FINDINGS OF FACT

Section 1.01

As an incident to the adoption of this Ordinance, and the issuance of the bonds provided for herein, the City Council of the City of Orangeburg finds that the facts set forth in this Article exist, and the statements with respect thereto, herein made, are true and correct.

(1) The City of Orangeburg is a municipal corporation of the State of South Carolina, located in Orangeburg County.

(2) Pursuant to Elections heretofore duly held in the City of Orangeburg, and in full compliance with the Constitution and Statutes of the State of South Carolina, the City of Orangeburg became authorized, and did afterwards acquire, a Waterworks System, a Sewer System, and an Electric Light System.

(3) Heretofore by Ordinance adopted on the 10th day of August, 1948, and in pursuance with the authorization vested in the City Council of the City of Orangeburg by the Statute now codified as Section 59-364, Code of Laws of South Carolina, 1962, the three utility systems above referred to have been combined into a single system designated as COMBINED PUBLIC UTILITY SYSTEM of The City of Orangeburg (the System).

(4) Pursuant to an Ordinance adopted February 26th, 1954, a natural gas system was constructed as an improvement to the System.

(5) The System, which is comprised of the four units above referred to, is operated under the control of the City Council of the City of Orangeburg and serves persons residing in the City of Orangeburg and in the territory surrounding the City.

(6) Provision has been made for the operation of the System on a fiscal year basis which commences on the first day of October of each year and ends on the 30th day of September of the succeeding year.

(7) The revenues derived from the System are previously pledged and hypothecated to the payment of the following outstanding revenue bonds of the City of Orangeburg (calculated as of April 2, 1967), viz.:

(a) The now outstanding \$475,000 of an original issue of \$1,500,000 Combined Public Utility System Revenue Bonds, dated April 1, 1954, of the City of Orangeburg, South Carolina, maturing:

\$90,000 on April 1st in the year 1968;

\$80,000 on April 1st in each of the years 1969 to 1972, inclusive; and

\$65,000 on April 1st, 1973.

(b) The now outstanding \$2,275,000 of an original issue of \$2,500,000 Combined Public Utility System Revenue Bonds, Series of 1962, of the City of Orangeburg, South Carolina, maturing:

\$ 75,000 on April 1st in each of the years 1968 and 1969;

\$100,000 on April 1st in each of the years 1970 to 1972, inclusive;

\$125,000 on April 1st, 1973; and

\$170,000 on April 1st in each of the years 1974 to 1983, inclusive.

- (c) The now outstanding \$1,470,000 of an original issue of \$1,500,000 Combined Public Utility System Revenue Bonds, dated April 1, 1964, of the City of Orangeburg, South Carolina, maturing:

\$ 30,000 on April 1st in each of the years
1968 to 1970, inclusive;

\$ 40,000 on April 1st, in each of the years
1971 to 1974, inclusive;

\$ 50,000 on April 1st, in each of the years
1975 to 1978, inclusive;

\$ 60,000 on April 1st, in each of the years
1979 to 1983, inclusive;

\$180,000 on April 1st, in each of the years
1984 to 1987, inclusive.

The bonds described in (a), (b) and (c) supra are designated in this Ordinance and are henceforth referred to as the PARITY BONDS.

(8) The Ordinances providing for the issuance of the PARITY BONDS permit the City of Orangeburg to issue additional bonds on a parity with the PARITY BONDS under the conditions and limitations set forth in the said Ordinances. The said Ordinances prescribe the purposes for which such additional bonds are to be issued and an earnings test that must be met in order that such additional bonds will be on a parity with the PARITY BONDS.

(9) It is specifically found that the bonds, whose issuance is herewith provided for, are issued for purposes set forth in, and in full compliance with, all of the provisions set forth in the said Ordinances relating to the issuance of additional bonds on a parity with the PARITY BONDS and that such bonds whose issuance is herewith to be provided for will be bonds on a parity with the PARITY BONDS.

(10) Following a careful study made by City Council and the several firms of Consulting Engineers who advise the City with respect to the several units comprising the System, it has been found that very substantial improvements are required, as follows:

(a) For the Natural Gas System

Extension of gas feeder mains; addition of two new system regulator stations; extensions to the distribution system; and addition of service lines and meters.

(b) For the Electrical System

Extension and enlarging electrical distribution and transmission systems; the addition of substations No. 11 and 12; and the acquiring of necessary land and rights of way.

(c) For the Waterworks System

Extension of water distribution system; the addition of a 4,000,000 gallon reservoir for ground storage of finished water; and addition of service lines and meters.

(d) For the System in General

Construction of a Warehouse for the storage of equipment and supplies of the Combined Public Utilities; and construction of an office building to house the administrative, accounting and billing divisions of the Combined Public Utilities.

The estimated cost of the program recommended by the City with respect to the above program is indicated to be in excess of Two Million Dollars (\$2,000,000). On the basis of such estimate the City Council has determined that it must raise Two Million Dollars (\$2,000,000) through the sale of bonds on a parity with the bonds described in Paragraph 7, supra.

(11) The City Council finds that it is authorized by the Revenue Bond Act for Utilities, Sections 59-361 to 59-415, Code of Laws of South Carolina, 1962, and by its own Ordinances, including specifically the Ordinances providing for the issuance of the PARITY BONDS to make provision for the issuance of Two

Million Dollars (\$2,000,000) Combined Public Utility System Revenue Bonds, whose proceeds shall be used to defray the cost of the improvements to its Combined Public Utility System referred to in Paragraph 10, supra. On that basis this Ordinance has been adopted to raise the \$2,000,000 so required.

The provisions of this Section shall be deemed a part of the contract inuring to the benefit of all holders or beneficiaries of said BONDS.

Section 5.09

In case any BOND shall become mutilated in respect to the body of such BOND, or the coupons, if any, appertaining thereto, or shall be believed by ORANGEBURG to have been destroyed, stolen or lost, upon proof of ownership, satisfactory to ORANGEBURG, and upon surrender of such mutilated BOND, with its coupons, if any, or upon receipt of evidence satisfactory to ORANGEBURG of such destruction, theft or loss and upon receipt also of indemnity satisfactory to ORANGEBURG, and upon payment of all expenses incurred by ORANGEBURG for any investigation relating thereto, and all expenses incurred in connection with the issuance of any new BOND under this Section, the Mayor and the Clerk and Treasurer shall execute and deliver a new BOND of the same maturity, and for the same aggregate principal amount, with the coupons, if any, appertaining thereto, of like tenor and date, bearing the same number, with such notations as shall be deemed appropriate, in exchange and substitution for, and upon the cancellation of the mutilated BOND, and its coupons, if any, or in lieu of and in substitution of the BOND, and its coupons, if any, so lost, stolen or destroyed.

Section 5.10

The BONDS shall be payable solely from the revenues derived from the operation of the SYSTEM in the manner herein provided, and such revenues applicable thereto are hereby irrevocably pledged to the payment of said BONDS, and to the payments into the various Funds herein provided for, to the extent and in the manner provided for by the BOND ORDINANCE. This provision of this Section 5.10 shall not preclude the issuance of ADDITIONAL

BONDS to rank pari passu with the BONDS, and with the PARITY BONDS, so long as the same shall be outstanding, if such ADDITIONAL BONDS be issued in conformity with the provisions of Article VII hereof, but the pledge herein made shall preclude the future issuance of bonds secured by a pledge or lien on the SYSTEM, or any portions thereof, or the revenues therefrom, prior to the pledge and lien herein made to secure the BONDS.

Section 5.11

The form of said BONDS, together with the coupons to be attached thereto, shall be substantially as follows:

Interest on the bonds to be redeemed shall cease to accrue from and after the redemption date specified in such notice unless the City defaults in making due provision for the payment of the redemption price thereof.

Both the principal of and interest on the bonds of this issue are payable solely from the revenues derived from the operation of The System. Neither the bonds of said issue, nor any of the coupons representing the interest payable thereon shall in any event constitute an indebtedness of the City of Orangeburg, within the meaning of any provision, limitation or restriction of the Constitution or Laws of South Carolina. The said City is not obligated to pay any of said bonds or the interest thereon save and except from revenues derived from the operation of The System.

THIS BOND is a negotiable instrument, and is transferable by delivery except when registered as to principal as hereinafter provided. It may be registered as to principal only in the name of the holder at the office of the Clerk and Treasurer of the City of Orangeburg, in the City of Orangeburg, South Carolina, on registry books to be kept for the purpose, such registration to be noted on the reverse side thereof; after such registration, the principal amount hereof shall be payable only

to such registered holder, his legal representatives, successors or assigns. If this bond be registered, no transfer shall be valid unless made on said books by the registered holder in person, or by his legal representatives, successors or assigns, and similarly noted on this bond. This bond may be discharged from registration by being in like manner transferred to bearer, after which it shall again be transferable by delivery, and this bond may again and from time to time be registered or discharged from registration in the same manner. Such registration shall not affect the negotiability of the coupons, which shall continue to be payable to bearer and transferable by delivery.

The City of Orangeburg hereby agrees that it will continuously operate and maintain The System and fix and maintain such rates for the services and facilities furnished by The System as shall at all times be sufficient, (1) to provide for the payment of the interest on and principal of this bond, the issue of which it forms a part, and the interest on and principal on all bonds on a parity herewith, as and when the same become due and payable; (2) to create a "Bond and Interest Fund" and a "Cushion Fund" for the bonds of this issue; (3) to provide for the payment of the expenses of the administration and operation and such expenses for maintenance of The System as may be necessary to preserve the same in good repair and working order; (4) to build up a reserve for the depreciation of The System; and (5) to build up a reserve for improvements, betterments and extension of The System other than those necessary to maintain the same in good repair and working order.

Under authority of Section 59-391, Code of Laws of South Carolina, 1962, and by The Ordinance, there has been created and granted to and in favor of the holders of this bond, and the issue of which it forms a part, and to and in favor of the holders of the coupons attached to said bonds, a statutory lien which is hereby recognized as valid and binding on The System, with the appurtenances and extensions thereto, and The System shall remain subject to said statutory lien until the payment in full of the interest on and principal of this bond and the issue of which it forms a part. Upon the happening of any event of default as defined in The Ordinance, the principal of all bonds issued pursuant to The Ordinance then outstanding may become, or may be declared, forthwith due and payable in the manner and with the effect provided for in The Ordinance.

THIS BOND and the interest hereon are exempt from all State, County, Municipal, School District and all other taxes or assessments of the State of South Carolina, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate or transfer taxes.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and Laws of the State of South Carolina to exist, to happen, and to be performed precedent to or in the issuance of this bond, exist, have happened, and have been done and performed in regular and due time, form and manner, and that the amount of this bond, and the issue of which this bond is one does not exceed any

constitutional or statutory limitation thereon.

IN WITNESS WHEREOF, the City of ORANGEBURG, SOUTH CAROLINA has caused this Bond to be signed by its Mayor, attested by its Clerk and Treasurer, its Corporate Seal to be reproduced hereon, the annexed interest coupons to bear the facsimile signatures of said Mayor and said Clerk and Treasurer, and this Bond to be dated the first day of April, A.D. 1967.

ARTICLE VI

RATES AND CHARGES

Section 6.01

It is hereby determined that the rates for services and facilities rendered by the SYSTEM shall, until otherwise revised, pursuant to the provisions of the BOND ORDINANCE, be as now established. Said rates and charges are determined to be sufficient to meet the requirements of the BOND ORDINANCE but they shall be revised whenever necessary in order that they shall at all times be maintained on a basis sufficient to meet the requirements of the BOND ORDINANCE, and ORANGEBURG specifically covenants and agrees to maintain rates and charges for all services furnished by the SYSTEM which shall at all times be sufficient to: (1) provide for the payment of the interest on and principal of (a) the PARITY BONDS; (b) the BONDS, and (c) all ADDITIONAL BONDS; (2) to create BOND AND INTEREST FUNDS AND CUSHION FUNDS therefor; (3) to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the SYSTEM as may be necessary to preserve the

same in good repair and working order; (4) to build up a reserve for depreciation of the SYSTEM; and (5) to build up a reserve for improvements, betterments, and extensions to the SYSTEM other than those necessary to maintain the same in good repair and working order

ARTICLE VII

ADDITIONAL BONDS

Section 7.01

ORANGEBURG specifically reserves the right to issue ADDITIONAL BONDS to such amount as it may from time to time hereafter deem necessary and proper, which, if issued under the conditions hereinafter enumerated, shall be on a parity with the BONDS, notwithstanding that they may bear different interest rate, number, date, date of execution or date of delivery, and the pledge of revenues, the statutory lien, the covenants and remedies applicable and available to the holders of the BONDS shall be applicable and available to the holders of the ADDITIONAL BONDS. While any of the PARITY BONDS dated April 1, 1954 shall be outstanding, the right to issue ADDITIONAL BONDS shall be controlled by the provisions of the Ordinance making provision for the issuance of the PARITY BONDS dated April 1, 1954. But, it is the intent of this Section that if on the occasion that ADDITIONAL BONDS are proposed to be issued, provision has been made for the payment in full of the PARITY BONDS dated April 1st, 1954, and the provisions of the Ordinance making provision for the issuance of the PARITY BONDS dated April 1st, 1954, shall no longer control, then the right to issue ADDITIONAL BONDS shall depend solely upon a compliance with the following provisions of this

Article, which are substantially identical to the provisions of the analogous Articles of the Ordinances making provision for the issuance of the PARITY BONDS dated July 1, 1962 and the PARITY BONDS dated August 1, 1964, viz:

(1) Such ADDITIONAL BONDS shall be issued to secure funds to defray the cost of improving, extending, enlarging or repairing the System or to obtain funds to refund BONDS or any bonds having any claim to the revenues of the SYSTEM.

(2) There shall exist, on the occasion of the issuance of the ADDITIONAL BONDS, no default in the payment of the principal and interest of any bonds having a claim to the revenues of the SYSTEM, and, if default in the payment of interest or principal of any such bonds shall have taken place, that such default shall have been remedied at least six months prior thereto.

(3) There is in the CUSHION FUND established by this BOND ORDINANCE and in the cushion fund or analogous fund established by any subsequent ordinance which may authorize the issuance of ADDITIONAL BONDS, the aggregate of all sums required therefor.

(4) There shall be established by the Ordinance authorizing each issue of ADDITIONAL BONDS, a BOND AND INTEREST FUND for the benefit of such bonds, similar to that established herein for the BONDS.

(5) There shall be established by the Ordinance authorizing each issue of ADDITIONAL BONDS a CUSHION FUND into which payments proportionate to those then required for the BONDS shall be made.

(6) The average net earnings of the SYSTEM for the two fiscal years immediately preceding the fiscal year in which any ADDITIONAL BONDS shall be issued, as certified to by a firm of independent public accountants, shall be not less than one hundred fifty per centum (150%) of the highest combined interest and principal requirements of any succeeding calendar year on all BONDS, on all PARITY BONDS, and on all ADDITIONAL BONDS then issued, and on all ADDITIONAL BONDS then proposed to be issued. PROVIDED, HOWEVER, that when provision has been made for the redemption of any bonds payable from the revenues of the SYSTEM, and there has been deposited in an irrevocable trust for the payment of the principal and interest on such bonds, the aggregate amount to become due on such bonds by way of principal, interest and redemption premium, computed to the first available redemption date, and ORANGEBURG has irrevocably obligated itself to call the same for payment and redemption on the first available redemption date, then in all such instances the interest and principal requirements of such bonds shall be excluded from the calculation required by this Paragraph.

For the purpose of this Section, "net earnings" shall mean the sum which remains after deducting the cost of operating and maintaining the SYSTEM from the entire receipts and revenues of the SYSTEM.

Both ORANGEBURG and any purchaser of any ADDITIONAL BONDS shall be entitled to rely upon certificates of any public accountant, made in good faith, as to the net earnings of the SYSTEM.

ARTICLE VIII

ADDITIONAL JUNIOR BONDS

Section 8.01

ORANGEBURG further reserves the right to issue other bonds or to incur other obligations, in such amounts as ORANGEBURG shall hereafter determine, payable solely from the revenues of the SYSTEM not on a parity with the BONDS but secured by a pledge of revenues from the SYSTEM junior and subordinate to the pledge securing the BONDS and other bonds on a parity therewith. Such other bonds shall recite on their face that they are subordinate to the BONDS and such other bonds then on a parity with the BONDS. Such further bonds issued pursuant to this Article shall be issued solely for purposes permitted by Paragraph (1) of Section 7.01, Article VII.

ARTICLE IX

ESTABLISHMENT OF FUNDS

Section 9.01

Effective upon the adoption of the BOND ORDINANCE, and continuing for so long a time as any BONDS or coupons appertaining thereto remain outstanding and unpaid, the following funds, whose establishment is hereby ordered, shall be maintained in such fashion as to meet the requirements of the BOND ORDINANCE. Certain of the funds are now in existence, having been established by the proceedings authorizing the PARITY BONDS. Such funds shall not be duplicated, but shall continue to function throughout the life of the BONDS.

Section 9.02

The GROSS REVENUE FUND heretofore established by the proceedings authorizing the PARITY BONDS shall be continued for so long as any BONDS shall be outstanding.

This fund shall consist of all receipts, income and revenue that ORANGEBURG shall derive, directly or indirectly, from the operation of the SYSTEM. All of such receipts, income and revenue shall be deposited in the manner prescribed by Article X into this fund. Moneys in the GROSS REVENUE FUND shall be made use of only for the purposes and in the order of priority specified in Article X hereof. Withdrawals from the GROSS REVENUE FUND shall be made by officials of ORANGEBURG from time to time as authorized by COUNCIL.

Section 9.03

The OPERATION AND MAINTENANCE FUND heretofore established by the proceedings authorizing the PARITY BONDS shall be continued for so long as any BONDS shall be outstanding.

This fund is intended to provide for the payment of all expenses incurred in connection with the administration and operation of the SYSTEM, and such expenses as may be reasonably necessary to preserve the SYSTEM in good repair and working order. Operation and maintenance shall be deemed to include the fees and charges of the PAYING AGENT, the CUSTODIAN of any fund established pursuant to this BOND ORDINANCE, the costs of audits required hereunder, and the premiums for all insurance and fidelity bonds required by the BOND ORDINANCE.

The OPERATION AND MAINTENANCE FUND shall be kept in the custody and control of a CUSTODIAN of said fund, and withdrawals from the OPERATION AND MAINTENANCE FUND, when the same have been deposited with the CUSTODIAN of the OPERATION AND MAINTENANCE FUND, shall be made by officials of ORANGEBURG from time to time as authorized by COUNCIL.

Section 9.04

There is hereby established a BOND AND INTEREST FUND.

This fund is intended to provide for the payment of the principal of and interest on the BONDS as the same respectively fall due. It is a fund separate and distinct from the analogous funds created for each issue of PARITY BONDS. Payments into this fund shall be made in the manner prescribed by the BOND ORDINANCE and all moneys in the BOND AND INTEREST FUND shall be used solely to pay the principal of and interest on BONDS, and for no other purpose. The BOND AND INTEREST FUND shall be kept in the complete custody and control of the CUSTODIAN of such fund, and withdrawals from the BOND AND INTEREST FUND shall be made only by such CUSTODIAN, who shall transmit to the PAYING AGENT, at such times as may be appropriate, and in any event, not less than ten (10) days prior to the date on which they shall respectively fall due, the sums required to pay the principal of and interest on the BONDS.

Section 9.05

There is hereby established a CUSHION FUND.

This fund is intended to insure the timely payment of the principal of and interest on the BONDS, and to provide for

the redemption of BONDS prior to their stated maturities. It is a fund separate and distinct from the analogous funds created for each issue of PARITY BONDS. Moneys in the CUSHION FUND shall be used for the following purposes, and for no other, viz.:

1. To prevent a default in the payment of the principal of or interest on the BONDS, by reason of the fact that moneys in the BOND AND INTEREST FUND are insufficient for such purposes;
2. To pay the principal of, interest on, and redemption premium of the BONDS, in the event that all outstanding BONDS be redeemed as a whole;
3. To effect partial redemption of the BONDS, PROVIDED that such redemption be undertaken in accordance with the provisions of Section 5.04.

The CUSHION FUND shall be kept in the complete custody and control of the CUSTODIAN of said fund, and withdrawals from this fund shall be made only by the said CUSTODIAN and shall be transmitted by said CUSTODIAN to the PAYING AGENT at such times as may be appropriate, and in any event not less than ten (10) days prior to the date on which payment of principal or interest must be met.

It shall at all times be lawful for said CUSTODIAN to invest moneys in the CUSHION FUND in obligations of the United States, or any Agency thereof, maturing not later than ten (10) years from the occasion when such investments shall be made.

Section 9.06

The DEPRECIATION FUND heretofore established by the proceedings authorizing the PARITY BONDS shall be continued for so long as any BONDS shall be outstanding.

This fund is intended to build up a reasonable reserve for depreciation of the SYSTEM. Moneys in this fund shall be used solely for the purpose of restoring depreciated or obsolete items of the SYSTEM.

The DEPRECIATION FUND shall be kept in the custody of the CUSTODIAN of the DEPRECIATION FUND and withdrawals from the DEPRECIATION FUND shall be made by officials of ORANGEBURG from time to time as authorized by COUNCIL.

Section 9.07

The CONTINGENT FUND as established by the proceedings authorizing the PARITY BONDS shall be continued for so long as any BONDS shall be outstanding.

This fund is intended to build up a reasonable reserve for improvements, betterments and extensions to the SYSTEM, other than the expenses which are reasonably necessary to maintain the SYSTEM in good repair and working order, and to defray the cost of unforeseen contingencies.

The CONTINGENT FUND shall be kept in the custody of the CUSTODIAN of the CONTINGENT FUND, and withdrawals from this fund may be made from time to time by officials of ORANGEBURG, as authorized by COUNCIL.

Section 9.08

Withdrawals from the GROSS REVENUE FUND for the OPERATION AND MAINTENANCE FUND, the DEPRECIATION FUND, and the

CONTINGENT FUND shall be made, so far as is practicable, in equal monthly instalments.

Section 9.09

Transfers of moneys in the OPERATION AND MAINTENANCE FUND, the DEPRECIATION FUND, and the CONTINGENT FUND may be made to the extent permitted by Code Sections 59-406, 59-407 and 59-408, of the 1962 South Carolina Code of Laws.

ARTICLE X

DISPOSITION OF REVENUES

Section 10.01

All revenues that ORANGEBURG derives, directly or indirectly, from the SYSTEM shall constitute a part of the GROSS REVENUE FUND and shall be deposited in some bank or depository and entitled "GROSS REVENUE FUND". Dispositions of the GROSS REVENUE FUND shall be made on the 15th day of each month in the order of priority established by the numerical sequence of the remaining Sections of this Article X; but the remittance made pursuant to Sections 10.02, 10.03, 10.04 and 10.06 shall be made in such fashion as to at all times preserve the parity between the BONDS and the PARITY BONDS.

Section 10.02

There shall be remitted to the CUSTODIAN of the BOND AND INTEREST FUND (at the same time moneys are remitted to the CUSTODIAN of the Bond and Interest Funds established for the PARITY BONDS), the monthly fraction of the aggregate amount of interest to become due on the BONDS on the next interest payment date, so that not less than fifteen (15) days prior to each interest payment date, the amount of interest to be paid

on the BONDS shall have been accumulated and be on hand. PROVIDED, that if provision has been made for the payment of all or part of the next installment of interest to become due on the BONDS, pursuant to any other provision of the BOND ORDINANCE, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly.

Section 10.03

Beginning on the 15th day of April, 1970, there shall be remitted to the CUSTODIAN of the BOND AND INTEREST FUND (at the same time moneys are remitted to the CUSTODIAN of the Bond and Interest Funds established for the PARITY BONDS), one-twelfth (1/12) of the aggregate amount of principal of all BONDS becoming due and payable during the next succeeding twelve (12) months, so that not less than fifteen (15) days prior to each principal maturity date, the amount of principal to be paid shall have been accumulated and be on hand.

Section 10.04

If, on the occasion when the deposits required by Sections 10.02 and 10.03 of this Article are to be made, the sum total of the deposits required by said Sections 10.02 and 10.03, plus previous monthly deposits and the remaining deposits to be made prior to the next succeeding principal and interest payment dates, will be less than the sum required to effect the payment of the next succeeding installment of either principal or interest, or both, as the case may be, a sum equal to such deficiency shall be added to the deposits to be made pursuant to said Sections 10.02 and 10.03.

Section 10.05

No deposits shall be made in the BOND AND INTEREST FUND, whenever the amount held therein, plus the market value of the cash and securities in the CUSHION FUND, shall be equal to the aggregate amount of principal and interest that will be payable at the stated maturities of the BONDS.

Section 10.06

There shall be remitted to the CUSTODIAN of the CUSHION FUND ten per centum (10%) of the aggregate of all payments made pursuant to Sections 10.02 and 10.03, supra, PROVIDED, HOWEVER, that payments in the CUSHION FUND shall no longer be mandatory when the aggregate value of the cash and securities in said CUSHION FUND shall be equal to the aggregate principal and interest requirements of the BONDS for the next two succeeding fiscal years.

Section 10.07

There shall be deposited into the OPERATION AND MAINTENANCE FUND that sum which has been currently determined to be the cost of operating and maintaining the SYSTEM for the next ensuing month.

Section 10.08

There shall be deposited in the DEPRECIATION FUND that sum which is one-twelfth (1/12) of the sum determined to be needed for the DEPRECIATION FUND for the then current FISCAL YEAR.

Section 10.09

There shall be deposited in the CONTINGENT FUND that sum which is one-twelfth (1/12) of the sum determined to be

needed for the CONTINGENT FUND for the then current FISCAL YEAR.

Section 10.10

If, pursuant to the provisions of Article VII, ADDITIONAL BONDS shall have been issued, then, under such circumstances, revisions shall be made of the dispositions required by this Article, so that appropriate payments, proportionate to those made pursuant to the BOND ORDINANCE for the BOND AND INTEREST FUND and the CUSHION FUND of the BONDS, shall be made for the Bond and Interest Fund and Cushion Fund of each issue of ADDITIONAL BONDS then outstanding.

Section 10.11

All sums remaining after making the payments required by Sections 10.02 to 10.10, inclusive, shall be disposed of in such manner as ORANGEBURG shall from time to time determine.

ARTICLE XI

AGREEMENT TO FURNISH INFORMATION WITH RESPECT TO SYSTEM

Section 11.01

ORANGEBURG recognizes that those who may from time to time hereafter be BONDHOLDERS will, throughout the life of the BONDS, require full information with respect to the SYSTEM, the fiscal affairs of the SYSTEM, and all matters incident to each. To that end, it especially covenants and agrees:

That it will install and thereafter at all times maintain proper books of records and accounts, separate and distinct from all other records and accounts, in which complete and correct entries shall be made of all transactions relating

to the SYSTEM, and all revenues and receipts derived therefrom, directly or indirectly. Such books and records shall be kept in such fashion as to reveal in detail:

- (1) The number of customers who may from time to time make use of the SYSTEM.
- (2) The gross revenues derived therefrom, segregated into the following classifications, viz., sewer system charges, water charges, electric charges and gas charges.
- (3) The amounts of gas and electricity purchased.
- (4) The amounts of gas and electricity resold to the customers of the SYSTEM.
- (5) The amount of electricity and gas unaccounted for or lost in operations.
- (6) The expenses incurred in the operation of the SYSTEM, broken down so that expenses for labor, material and other classifications in line with general utility practice shall be shown.
- (7) All expenditures made from the several funds established by the BOND ORDINANCE; and
- (8) The several rate schedules that may from time to time be in force.

Section 11.02

ORANGEBURG further covenants and agrees that not later than sixty days after the close of each FISCAL YEAR, it will cause to be made by an independent firm of Public Accountants of suitable experience and responsibility, an audit of the

records, books and accounts pertaining to the SYSTEM, and to furnish a copy of such audit to:

- (1) The PURCHASER of the BONDS;
- (2) Moody's Investors Service, 99 Church Street, New York 7, New York;
- (3) The Chairman of the State Board of Bank Control, Columbia, South Carolina; and
- (4) The Secretary of the South Carolina Municipal Council, Raleigh, North Carolina.

Such audit shall comment upon any violation of any provision of the BOND ORDINANCE noted by the auditing accountants and such matters as to them seem pertinent. The cost of such audit shall be treated as a part of the cost of operating and maintaining the SYSTEM. The copies so furnished need not be certified.

ARTICLE XII

INSURANCE

ORANGEBURG covenants and agrees:

Section 12.01

That it will insure and at all times keep the SYSTEM insured against physical loss or damage in a responsible insurance company or companies, authorized and qualified under the laws of the State of South Carolina to assume the risks insured against, in such amount as private corporations engaged in similar endeavors would customarily insure for.

Section 12.02

That it will secure adequate fidelity bonds (blanket or individual) of a bonding company doing business in South

Carolina, indemnifying ORANGEBURG against defalcation of all persons handling moneys derived from the SYSTEM or signing checks on any bank accounts relating to the SYSTEM, other than the PAYING AGENT and the CUSTODIANS.

Section 12.03

That all premiums on all bonds or insurance policies shall be deemed a part of the cost of operating and maintaining the SYSTEM.

Section 12.04

That all insurance policies shall be open to the inspection of any BONDHOLDER at any reasonable time.

Section 12.05

All moneys received by ORANGEBURG as a consequence of any defalcation, covered by any fidelity bond, shall be used to restore the fund depleted by the defalcation. All sums received by ORANGEBURG from insurance policies covering the SYSTEM may, to the extent necessary, be applied to the repair and replacement of the damaged or destroyed property, but, in the event that such moneys are not used for such purposes, then the same shall be pro-rated among the CUSHION FUNDS of the BONDS, the PARITY BONDS and the ADDITIONAL BONDS then outstanding.

ARTICLE XIII

ADDITIONAL COVENANTS

ORANGEBURG further covenants and agrees:

Section 13.01

That neither the SYSTEM, nor any part thereof, nor any of the revenues derived from the SYSTEM, have been or will be

hypothecated, mortgaged, otherwise pledged or encumbered, save and except as herein disclosed and enumerated.

Section 13.02

That it will permit no free service to be rendered or use to be made of the services and facilities of the SYSTEM, and for the services and facilities of the SYSTEM used by ORANGEBURG, the reasonable cost and value of such services and facilities shall be paid as such services or facilities accrue. The revenue so received by ORANGEBURG shall be deemed to be revenue derived from the operation of the SYSTEM, and shall be accounted for in the same manner as other revenues from the SYSTEM.

Section 13.03

That it will permit no water, electric, or gas customer to be connected to the SYSTEM, or to receive any service afforded by the SYSTEM, unless a proper meter shall be installed, and such customer shall become obligated to pay for the service rendered at the appropriate rate according to the rate schedule then in force, provided that the provisions of this Section shall not apply to hydrant or sprinkler service afforded by the Waterworks System.

Section 13.04

That so long as any BONDS or coupons be outstanding and unpaid, it will perform all duties with reference to the SYSTEM, required by the Constitution and Statutes of South Carolina, and ORANGEBURG hereby irrevocably covenants, binds and obligates itself not to pledge, mortgage or otherwise encumber the

SYSTEM, or any part thereof, or any revenue therefrom, except in the manner provided by Articles VII and VIII hereof, and it will not sell, lease or dispose of any substantial portion of the SYSTEM, until all BONDS shall be paid in full, both principal and interest, or unless and until provision shall have been made for the payment of the BONDS and the interest thereon in full, and ORANGEBURG further obligates itself and covenants and agrees with the BONDHOLDERS to maintain in good condition and to operate said SYSTEM, and to collect and charge such rates for the services and facilities of the SYSTEM, so that the income and revenues of the SYSTEM shall be sufficient at all times to meet the requirements of the BOND ORDINANCE.

Section 13.05

That it will permit, at all reasonable times, so long as any BONDS are outstanding and unpaid, and the funds are not available for the payment thereof, BONDHOLDERS to inspect the SYSTEM and all records and accounts thereof.

Section 13.06

That if the annual net revenues of the SYSTEM shall hereafter, during any year, be less than one hundred twenty per centum (120%) of the debt service requirements of the BONDS and any other bonds then outstanding payable from the revenues of the SYSTEM, it will employ a person skilled in the operation of utility systems to examine its rate schedules, its SYSTEM, and the operation and functioning of the same and to make recommendations with respect thereto.

ARTICLE XIV

ESTABLISHMENT OF STATUTORY LIEN

Section 14.01

For the further protection of the HOLDERS of the BONDS and the coupons thereunto attached, a statutory lien upon said SYSTEM is hereby created and granted as provided in the ENABLING STATUTE, which said statutory lien is hereby recognized as valid and binding upon ORANGEBURG and said SYSTEM, and shall take effect immediately upon the delivery of any BONDS. Such statutory lien is hereby declared to be on a parity with the statutory liens created for the PARITY BONDS.

ARTICLE XV

MODIFICATION OF ORDINANCE

Section 15.01

PROVIDED ALWAYS that the security of the BONDS shall not be lessened, or in any manner impaired, ORANGEBURG may, for any one or more of the following purposes and at any time, or from time to time, adopt an Ordinance supplementing the BOND ORDINANCE, which Ordinance shall be fully effective in accordance with its terms:

- (1) To add to the covenants and agreements of ORANGEBURG in the BOND ORDINANCE, other covenants and agreements thereafter to be observed relative to the operation, maintenance, reconstruction or administration of any part of the SYSTEM;

- (2) To surrender any right, power or privilege reserved to or conferred upon ORANGEBURG by the BOND ORDINANCE; and
- (3) To cure, correct or remove any ambiguity or inconsistent provisions contained in the BOND ORDINANCE.

PROVIDED, FURTHER, that such supplemental Ordinance shall not become effective until a copy thereof, duly certified, shall have been forwarded to the original PURCHASER of the BONDS and shall have been filed in the office of the Clerk of Court for Orangeburg County.

Section 15.02

The rights and duties of ORANGEBURG and the BONDHOLDERS, and the terms and provisions of the BOND ORDINANCE may be modified or altered in any respect by ordinance of ORANGEBURG with the consent of the holders of 66-2/3% in principal amount of the BONDS then outstanding, such consent to be evidenced by an instrument or instruments executed by such HOLDERS and duly acknowledge or proved in the manner of a deed capable of being recorded, but no such modification or alteration shall:

- (1) Extend the maturity of any payment of principal or interest due upon any BOND;
- (2) Effect a reduction in the amount which ORANGEBURG is required to pay by way of principal, interest or redemption premium;
- (3) Effect a change as to the type of currency in which ORANGEBURG is obligated to effect payment of the principal, interest and redemption premium of the BONDS;

- (4) Permit the creation of a lien on the revenues prior or equal to the BONDS or ADDITIONAL BONDS, as authorized by the BOND ORDINANCE;
- (5) Permit preference or priority of any BONDS to others;
- (6) Alter or modify the provisions of Articles VI, VII, IX or X, or
- (7) Reduce the percentage of BONDS required for the written consent to the modification or alteration of the provisions of the BOND ORDINANCE.

Section 15.03

In order that HOLDERS of BONDS payable to bearer may evidence their consent in the manner hereinabove provided, the PAYING AGENT may make, and, from time to time vary such regulations as it shall think proper for the deposit of bonds with, or exhibit of bonds to, any banks, bankers, trust companies or other depositors, wherever situated and for the issue by them to the persons depositing or exhibiting such bonds, of certificates in form approved by the PAYING AGENT, which shall constitute proof of ownership, entitling the HOLDERS thereof to consent in the manner hereinabove provided. Registered HOLDERS of BONDS duly registered in the names of such HOLDERS need not deposit nor exhibit their BONDS, but ORANGEBURG and the PAYING AGENT may rely upon said registry books to determine who are the registered HOLDERS of such BONDS. Any and all modifications made in the manner hereinabove provided for shall not become effective until there has been filed with the Clerk of Court of Orangeburg County and the PAYING AGENT a copy of the amendatory ordinance

of ORANGEBURG hereinabove provided for, duly certified, as well as proof of consent to such modification by the HOLDERS of 66-2/3% in principal amount of the BONDS then outstanding.

ARTICLE XVI

EVENTS OF DEFAULT

Section 16.01

Each of the following events is hereby declared an "Event of Default", that is to say, if:

Grantee shall have the right to erect and maintain its own poles, as may be necessary for the proper construction and maintenance of the television distribution system, provided written prior approval is obtained in such instances from the Manager, Department of Public Utilities or his representative of the City of Orangeburg.

Sec. 30-7. Neither Grantee, their subsidiaries, nor their employees, shall engage in the business of selling, renting or leasing television sets or other receivers which make use of signals transmitted by their system, nor shall Grantee, their subsidiaries or their employees, engage in servicing of television sets or receivers owned or leased by their subscribers, or the sale of parts for the same.

Grantee shall not delete the commercial advertising portion of a signal which they are carrying from a Federal Communications Commission licensed television station and substitute therefor other commercial advertising over such signal.

The Authority hereby granted to Grantee shall not include the authority to transmit or assist in the transmission of TV programs which customers would pay for dependent upon the number of programs received in contrast to full-time cable service as proposed herein.

Sec. 30-8. LIMITATIONS OF RIGHTS GRANTED. Grantee's transmission and distribution system poles, wires and appurtenances shall be located, erected and maintained so as not to endanger or interfere with the lives of persons, or to interfere with new improvements the City may deem proper to make, or to hinder unnecessarily or obstruct the free use of the streets, alleys, bridges, or other public property; removal of poles to avoid such interference shall be done promptly upon receiving written request to do so from the City of Orangeburg, or its designated official, and will be at Grantee's expense.

Construction and maintenance of the transmission distribution system shall be in accordance with the provisions of the National Electrical Safety Code, prepared by the National Bureau of Standards, the National Electrical Code of the American Insurance Association, and such applicable Ordinances and regulations of the City of Orangeburg affecting electrical installations, which may be presently in effect, or changed by future ordinances.

All installations of equipment shall be of permanent nature, durable and installed in accordance with good engineering practices, and of sufficient height to comply with all existing City regulations, Ordinances, and State Laws, so as not to interfere in any manner with the right of the public or individual property owner, and shall not interfere with the travel and use of public places by the public and during the construction, repair, or removal thereof, shall not obstruct or impede traffic. Further, said construction shall be subject to inspection by and approval by the City Administrator of the City of Orangeburg or his representative.

No poles are to be erected upon the public streets, alleys, avenues and public grounds, and no excavation of any type shall be done or caused to be done unless permission in writing is first obtained from the Manager, Department of Public Utilities of the City of Orangeburg or his representative.

Grantee agrees that if any of their cables or wires are installed on existing above-ground systems which are placed underground at any future date, the Grantee will likewise place their cables or wires underground.

In the event that a change is made in the grade, width or location of public streets, alleys, avenues, and grounds by authority of the City, which shall necessitate the relocation of any poles, wires, transmission and distribution lines to conform to the change of grade, Grantee shall make the necessary changes in their lines, at their own expense, upon due notice from the City of Orangeburg.

In the maintenance and operation of their television transmission and distribution system in the streets, alleys, and other public places, and in the course of any new construction or addition to their facilities, Grantee shall proceed so as to cause the least possible inconvenience to the general public; any opening or obstruction in the streets or other public places made by Grantee in the course of their operations shall be made only after having obtained prior written permission from the City to do so, and shall be guarded and protected at all times by the placement of adequate barriers, fences, or boardings, the bounds of which, during periods of dusk and darkness, shall be clearly designated by red warning lights.

All work in any way necessitated by the business of Grantee which may involve the opening, breaking-up or tearing up of a portion of a street, sidewalk or other part of any City-owned or City-controlled property, shall be done and repaired in a manner approved by the City of Orangeburg, and shall, at the option of the City, be done by the City at the expense of Grantee. Grantee shall save the City harmless against all loss or damage to any person or property caused by the construction, laying, maintenance or operation of any of its lines or other undertakings under the authority of this Ordinance. Nothing herein shall be construed as a requirement that the City of Orangeburg conduct an excavation or repair on behalf of or as agents for Grantee.

Grantee shall, at their expense, protect, support, temporarily disconnect, relocate on the same street, alley or public place, or remove from the street, alley or public place, any property of Grantee when required by the City by reason of traffic conditions, public safety, street vacation, freeway and bridge construction, change or establishments of street grade, installation of sewers, drains, waterpipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or other structures of public improvement; provided, however, that Grantee shall in all such cases have the privileges and be subject to the obligations to abandon any property of Grantee in place as provided in Section 30-16 hereof.

Sec. 30-9. INDEMNIFICATION OF CITY. Grantee shall, at all times, keep in effect the following types of insurance coverage:

- (a) Workmen's Compensation upon their employees engaged in any manner in the management, operation, installation or servicing of their plant and equipment within the City of Orangeburg.
- (b) Personal Injury Liability Insurance to the extent of One Hundred Thousand Dollars (\$100,000) as to any one person and Three Hundred Thousand Dollars (\$300,000) as to any one accident, and Property Damage Liability Insurance to the extent of One Hundred Thousand Dollars (\$100,000) as to any one accident.

Grantee shall indemnify, protect and save harmless the City from and against losses and physical damage to property, and bodily injury or death to persons, including payments made under any Workmen's Compensation law which may arise out of or be caused by the erection, maintenance, presence, use or removal of said attachments or pole or poles within the City, or by any act of Grantee, their agent or employees. Grantee shall also pay for the cost to the City of defending in any court any action brought against the City arising out of the operations of the Grantee hereunder. Grantee shall carry insurance in the above-described amounts to protect the parties hereto from and against all claims, demands, actions, judgments, costs, expenses and liabilities which may arise or result directly or indirectly, from or by reason of such loss, injury or damage. Grantee shall also carry such insurance as they deem necessary to protect them from all claims under the Workmen's Compensation laws in effect that may be applicable to Grantee. All insurance required shall be written with a company or companies approved by the City of Orangeburg and shall remain in full force and effect for the entire life of the rights granted hereunder. Said policy or policies of insurance, or a certified copy thereof, shall be approved by the City of Orangeburg, and then deposited with and kept on file by the City of Orangeburg, South Carolina.

Sec. 30-10. FRANCHISE AND GROSS RECEIPTS PAYMENTS. Grantee shall, at the time it receives its Franchise, pursuant to this Ordinance, pay to the City of Orangeburg the sum of Four Thousand Dollars (\$4,000) and, in addition, shall thereafter pay the Gross Receipts payments hereinafter set forth:

On gross receipts from all subscribers, wherever located, five and one-half per cent (5½%) thereof or Four Thousand Dollars (\$4,000) per year, whichever is greater;

Should gross receipts from subscribers reach One Hundred Twenty-Five Thousand Dollars (\$125,000) in any year, the franchise fee will be increased to six per cent (6%) of the total gross receipts; subsequent increases as follows:

One Hundred Fifty Thousand Dollars (\$150,000) in any year, the franchise fee will be increased to seven per cent (7%) of the total gross receipts;

One Hundred Seventy-Five Thousand Dollars (\$175,000) in any year, the franchise fee will be increased to eight per cent (8%) of the total gross receipts;

Two Hundred Thousand Dollars (\$200,000) in any year, the franchise fee will be increased to nine per cent (9%) of the total gross receipts; franchise fee to be graduated therefrom by same bases.

"Gross Receipts" shall include monthly service charges and all other operating revenues but shall not include monies received as installation charges and charges and fees for reconnections, inspections, repairs, or modifications of any installation and shall be paid monthly. Nothing herein contained, however, shall in any way relieve Grantee or their assigns or successors from the obligations of paying any property taxes to the City of Orangeburg, or any other governmental subdivision of the State of South Carolina or any other taxes lawfully levied by the State of South Carolina on the operation of Grantee.

Grantee shall file with the City, within thirty (30) days after the expiration of any calendar year during the term of the rights granted hereunder, a statement prepared by a Certified Public Accountant showing the gross receipts as defined herein. It shall be the duty of Grantee to pay to the City within fifteen (15) days after the time for filing such statements, any unpaid balance for the calendar year covered by such statement.

Failure to begin operation of the system authorized hereby for a period of twenty-four (24) months, or failure to operate for any consecutive period of six (6) months after operation has begun, shall serve automatically to terminate the franchise rights granted pursuant to this Ordinance.

Sec. 30-11. TIME OF PERFORMANCE. Grantee shall proceed as soon as possible from the date of this Ordinance with due diligence to obtain all necessary permits and authorizations which may be required in the conduct of its business, including utilities, joint use attachment agreements and microwave carrier licenses to be granted by duly constituted regulatory agencies. Further, Grantee shall commence the installation of said system with due diligence and within a reasonable time subsequent to the obtaining of all the aforementioned necessary permits and authorizations, and shall proceed with all due diligence to render service to subscribers following the commencement of installation of the system.

Sec. 30-12. No privilege, right or exemption shall be granted or conferred under this Ordinance except those specifically prescribed herein.

Sec. 30-13. The rights hereunder granted to Grantee shall not be assigned or transferred for a period of twenty-four (24) months from the date of the adoption of this Ordinance except to a company, corporation or partnership controlled by Grantee. Thereafter any sale, assignment or transfer of the rights hereunder shall be made only with the prior consent of the City of Orangeburg expressed by resolution. The said consent of the City may not be arbitrarily refused; provided, however, that the proposed transferee or assignee must show financial responsibility to the satisfaction of the City and must agree to comply with all the provisions of this Ordinance; and provided, further, that no such consent shall be required for a transfer by trust deed, deed to secure debt, or other hypothecation as a whole, to secure an indebtedness.

Sec. 30-14. Grantee is subject to all requirements of the City Ordinances, rules, regulations and specifications of the City, including, but not limited to, those concerning street work, street excavation, use, removal and relocation of property within a street, and other street work.

Sec. 30-15. RIGHTS RESERVED TO CITY. There is hereby reserved to the City every right and power which is required to be herein reserved or provided by any State statute or Ordinance of the City, and Grantee, by their acceptance of the rights granted hereunder, agree to be bound thereby, and to comply with any action or requirement of the City in its exercise of any such right or power. Further, the rights granted hereunder shall not preclude the City from granting to any other person a right to provide similar services in the City of Orangeburg.

Sec. 30-16. ABANDONMENT. In the event that the use of any part of the system should cease for any reason for a continuous period of twelve (12) months, or in the event such system or property has been installed in any street or public place without complying with the requirements of this Ordinance, or the rights granted hereunder have been terminated, cancelled or have expired, Grantee shall promptly remove from the streets and public places all such property and poles of such system, other than any which the City may permit to be abandoned in place. In the event of such removal, Grantee shall promptly restore the street or other area from which such property has been removed to a condition satisfactory to the City.

Any property of Grantee to be abandoned in place shall be abandoned in such manner as the City may prescribe. Upon permanent abandonment of the property of Grantee in place, Grantee shall submit to the City an instrument to be approved by the City, transferring to the City the ownership of such property.

Sec. 30-17. Upon failure of Grantee to complete any work required by law or by the provisions of this Ordinance to be done in any street, within the time prescribed, and to the satisfaction of the City, the City may cause such work to be done and Grantee shall pay the City the cost thereof in the itemized amount reported to Grantee within thirty (30) days after receipt of such itemized report.

Sec. 30-18. The term for which each franchise is granted, as provided herein, shall be for a period of fifteen (15) years.

Sec. 30-19. If any section, sentence, clause or phrase of this Ordinance is for any reason held illegal, invalid, unconstitutional or void, all other Sections thereof not so held shall be and remain in full force and effect.
